ASSIGNMENT OF PATENT APPLICATIONS

WHEREAS, I

Max Glenn Anderson of Nashville, TN,

hereinafter referred to as “Assignor”,

am an inventor of certain new and useful inventions described in the following patent applications:

- United States Provisional Patent Application Serial Number 62/519,147 filed June 13, 2017; and
- United States Design Patent Application Serial Number 29/661,022 filed August 23, 2018;

AND WHEREAS,

PRO PONG LLC TENNESSEE, a limited liability company incorporated under the laws of Tennessee, having a registered address of 2011 Richard Jones Road, Apt. D14, Nashville, TN 37215, and hereinafter referred to as “Assignee”, is desirous of acquiring the entire right, title and interest in and to said inventions and in and to any and all Letters Patent of the United States which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and set over unto Assignee, its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention(s) as set forth in the above-mentioned applications and any modifications and/or improvements therefor (hereinafter “invention”), any patent applications in the United States and any original applications, formal applications, continuation applications, continuations-in-part applications, request for continued examination applications, divisional applications, reissue applications, re-examinations or extensions thereof, and in and to any and all patents of the United States which may be issued for said invention, and all rights to claim priority therefrom and/or thereto; and any copyright or designs associated with or in said invention, and all rights of action and damages for any past, present or future infringement relating thereto, including all rights of actions and damages from publication of the patent applications and/or issuance of any patent relating thereto;

UPON SAID CONSIDERATIONS, Assignor hereby agrees with the said Assignee that he will not execute any writing or do any act whatsoever conflicting with these presents, and that he will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such

applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignor and assignee;

AND Assignor hereby requests that the Commissioner for Patents to issue any Letters Patent of the United States which may be issued for said invention to said Assignee, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent(s) and the invention covered thereby.
