## WORLDWIDE ASSIGNMENT

**Attorney Docket No: D513,575**

For good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, **Thomas W. Delattre**, an individual and **David Carson**, an individual, hereinafter referred to as "Assignors," hereby sells, assign, transfer, and set over to **Envision Product Development Group, LLC**, a Florida Limited Liability Company, hereinafter referred to as "Assignee," its successors, assigns and legal representatives, the full, exclusive, and entire right, title and interest, in and for the United States and all foreign countries, in and to any and all inventions relating to, and which are disclosed in, the patent applications which are entitled as follows:

1. United States Design Patent No. D513,575, filed June 22, 2004, entitled "Picture Hanging Tool",

including any all, divisional, continuing, substitute, renewal, reissue, re-examination, extensions, certificates, international, and all other applications for Letters Patent, limited to the above referenced patent and "picture hanging tool" invention, which have been or shall be filed in the United States and all foreign countries on said invention or to which the benefits of the priority or filing date of said application that are or will be claimed; and in and to all original and reissued patents which have been or shall be filed in the United States and all foreign countries on said invention including all rights under the International Convention for the Protection of Industrial Property to be held and enjoyed by Assignee for its own use and the use of its successors, legal representatives and assigns to the full term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignors, had the assignment not been made;

Assignors agrees that Assignee may apply for and receive Letters Patent in this or any other countries for said invention in its own name and that, at the request of the Assignee and, without charge to but at the expense of said Assignee, Assignors will carry out in good faith the intent and purpose of this Assignment; execute forms and documents for all divisional, continuing, substitute, renewal, reissue, and all other patent applications on said invention; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to Assignee all facts known to the undersigned relating to said invention and the history thereof; and generally do everything possible which Assignee shall consider desirable for aiding in securing and mainlining proper patent protection for said invention and for vesting title to said invention, and all applications for patents and all patents on invention in said Assignee;

Assignors covenants with Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned; AND

Assignors hereby requests the Commissioner of Patents to issue any Letters Patent of the United States to Assignee as the Assignee of said inventions and Letters Patent to be issued thereon for the sole use of Assignee, its successors, legal representatives and assigns.
