## ASSIGNMENT

WHEREAS, **Tekna Solutions Inc.** (also operating under Tekna Inc.) (hereinafter referred to as Assignor), a corporation organized and existing under and by virtue of the laws of the State of Michigan, and having an office and place of business at **3400 Tech Circle, Kalamazoo, Michigan 49008, United States of America**, is the owner of the inventions listed below:

### **Surgical Saw**

which is set forth in United States Design Patent Application No. 29/598,904 filed on March 29, 2017, and WHEREAS **Stryker Corporation**, (hereinafter referred to as Assignee), a corporation having a place of business at **2825 Airview Boulevard, Kalamazoo Michigan 49002, United States of America** is desirous of acquiring the entire right, title and interest in and to said invention or inventions, and to said application and to any and all patents to be obtained therefore;

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, the Assignor has assigned, sold and set over, and by these presents assigns, sells and sets over unto the Assignee, its successors, legal representatives and assigns, for the territory of the United States of America and all foreign countries, the entire right, title and interest in and to said invention, said application for Letters Patent, including the right to file foreign patent applications corresponding to said application, and the right to claim the priority date of said United States patent application and any legal equivalents thereof, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and to any and all divisions, continuations, and continuations-in-part of said application, or re-issues or extensions of said Letters Patent or Patents prepared and executed by Assignor on even date herewith, the same to be held and enjoyed by the Assignee, as fully and entirely as the same would have been held by the Assignor had this Assignment and sale not been made.

AND the Assignor hereby covenants and agrees that the Assignor will at any time upon the request and at the expense of the Assignee execute and deliver any and all papers and do all lawful acts that may be necessary or desirable to perfect the title to said invention and to obtain Letters Patent therefor, and the Assignor hereby authorizes and requests the Commissioner of Patents to issue said Letters Patent to the Assignee in accordance with this Agreement.

To comply with 37 C.F.R. § 3.21 for recordal of this Assignment, we hereby authorize and request the attorney or agent, as designated in any Power of Attorney executed with respect to this invention or any attorney or agent acting in a representative capacity, to insert the filing dates and application numbers of the above identified patent application(s) when they become known in the space above, if not already provided.
