EXHIBIT B

FORM OF PATENT ASSIGNMENT

This Patent Assignment (this "Assignment") is made effective this 6th day of September, 2018, by and between Doblet Inc., a corporation organized and existing under the laws of the State of Delaware with principal offices located at 829 Folsom St., #704, San Francisco, CA 94107 ("Assignor") and Jason Wong, an individual with an office located at 6310 San Vicente Blvd., Ste 320, Los Angeles, CA 90048 ("Assignee").

WHEREAS, Assignor possesses certain rights in and to the patents and patent applications listed in Exhibit A attached hereto and the invention(s) described and/or claimed in such patents and patent applications (collectively, the "Patent Rights"); and

WHEREAS, pursuant to that certain Patent Purchase Agreement between Assignor and Assignee, dated as of the date hereof (the "Purchase Agreement"), Assignor assigned to Assignee the Patent Rights.

NOW, THEREFORE, to all whom it may concern be it known that for and in consideration of the amounts paid to Assignee in the Purchase Agreement, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor has sold, assigned and transferred and by these presents does hereby sell, assign and transfer unto said Assignee, its successors, assigns, and legal representatives, Assignor's entire right, title and interest in and throughout the United States of America, its territories and all foreign countries, in and to the invention(s) described and/or claimed in said Patent Rights, together with Assignor's entire right, title and interest in and to the patents and patent applications listed in Exhibit A and such other patents as may issue thereon or claim priority under United States law or international convention, including but not limited to non-provisionals, continuations, divisionals, reissues, reexaminations, extensions, and substitutions of said patents and patent applications or such other patents, and any right, title and interest Assignor may have in applications to which said Patent Rights claim priority; said invention(s), patent applications and patents to be held and enjoyed by said Assignee for its own use and behalf and for its successors, assigns and legal representatives, to the full end of the term for which said patents may be granted as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made; Assignor hereby conveys all of its rights arising under or pursuant to any and all United States laws and international agreements, treaties or laws relating to the protection of industrial property by filing any such applications for patent, including but not limited to any cause(s) of action and damages accruing prior to this assignment. Assignor hereby acknowledges that this assignment, being of Assignor's entire right, title and interest in and to said invention(s), applications and patents carries with it the right in Assignee to apply for and obtain from competent authorities in all countries of the world any and all patents by attorneys and agents of Assignee's selection and the right to procure the grant of all patents to Assignee in its own name as assignee of Assignor's entire right, title and interest therein;

AND, Assignor does hereby authorize and request the Director of the United States Patent and Trademark Office and the empowered officials of all other governments to issue such Patent Rights or patents as shall be granted upon said Patent Rights, or applications based thereon, to said Assignee, its successors, assigns, or legal representatives.

Assignee and Assignor also agree that multiple copies of this Assignment may be executed, each of which shall be deemed an original, and each of which shall be valid and binding upon Assignee and Assignor.

Assignee shall bear all responsibility and expense for preparing any instrument of assignment or transfer from Assignor to Assignee and for recording the same, any fee or tax levied thereon, and all prosecution and maintenance costs incurred with respect to the Patents.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be executed by their duly authorized officers as of the date first written above.
