INTELLECTUAL PROPERTY ASSIGNMENT

This Intellectual Property Assignment is made as of the 15th day of October, 2008, by Augustine Biomedical + Design LLC, a Minnesota limited liability corporation ("Assignor"), and Hot Dog International LLC, a Delaware limited liability corporation ("Assignee").

RECITALS

WHEREAS, Assignee and Assignor are parties to a License Agreement dated as of October 15, 2008, (the "Agreement"), pursuant to which, among other things, Assignor has agreed to sell to Assignee and Assignee has agreed to purchase from Assignor the Technology (as that term is defined in the Agreement); and

WHEREAS, Assignor desires to assign to Assignee, and Assignee desires to acquire from Assignor the patents and patent applications listed on the attached Exhibit A ("Patents"), the trademarks, trademark applications and trademark registrations listed on the attached Exhibit B ("Trademarks"), and the copyright applications and registrations listed on Exhibit C ("Copyrights").

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, and Assignee hereby accepts the transfer and assignment, of Assignor's entire right, title and interest in and to the: (a) Patents, including the underlying inventions therein, the right to apply for patents in foreign countries in its own name, including the right to claim any priority rights to which such foreign applications are entitled under international conventions, treaties, or otherwise, and all rights to seek and collect damages and other relief for past and future infringements and all proceeds thereof and all other rights and proceeds associated therewith; (b) Trademarks, the goodwill of the business associated with such Trademarks, all rights to seek and collect damages and other relief for past and future infringements and all proceeds thereof and all other rights and proceeds associated therewith; and (c) Copyrights, including all rights to seek and collect damages and other relief for past and future infringements and all proceeds thereof and all other rights and proceeds associated therewith. Assignee is a successor to the business of Assignor to which the Trademarks pertain, which business is ongoing and existing. This assignments includes all rights in the nature of trademark, service mark and trade name rights, as well as the right to sue for past infringement by any third party.

IN WITNESS WHEREOF, the undersigned has caused this Intellectual Property Assignment to be executed by its duly authorized officer as of this 9th day of January, 2009.
