Gordon M. Grivna
Application No.: 13/412,119
Filing Date: March 5, 2012
Title: Method and Apparatus for Plasma Dicing a Semi-conductor Wafer
Group Art Unit: 3742
Attorney Docket No.: 1222957.0000182

For good and valuable consideration, the receipt of which is hereby acknowledged, I,

<u>Name</u>	<u>of (City/State/Country)</u>
Gordon M. Grivna	Mesa, Arizona, USA

have sold, assigned, and transferred, and do hereby sell, assign, and transfer unto Semiconductor Components Industries, LLC (SCI), a limited liability Company of the State of Delaware, having its principal office in Phoenix, State of Arizona, United States of America, and its successors, assigns, and legal representatives, the entire right, title, and interest in and to certain inventions relating to improvements in **Application No. 13/412,119**, entitled **Method and Apparatus for Plasma Dicing a Semi-conductor Wafer**, and having **Attorney Docket No. 1222957.0000182** described, illustrated, and claimed in an application for Letters Patent of the United States of America executed by me, together with the entire right, title and interest in and to the application, and in and to Letters Patent which may be issued upon the application, and upon any divisional, extension, continuation, or reissue thereof, including, but not limited to, Application No. 13/448,769 filed April 17, 2012; Application No. 13/764,110 filed February 11, 2013; Application No. 13/764,142 filed February 11, 2013; Application No. 13/764,160 filed February 11, 2013; and Application No. 13/764,177 filed February 11, 2013.

I hereby also sell, assign, and transfer unto SCI, the entire right, title, and interest in and to the invention and in and to applications for Letters Patent therefor in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of the inventions and the applications for Letters Patent in foreign countries, and I further authorize SCI to apply for Letters Patent in foreign countries directly in its own name, and to claim the priority of the filing date of the application for Letters Patent of the United States of America under the provisions of any and all international conventions and treaties.

I hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America to issue Letters Patent upon the aforesaid application, divisionals, extensions, continuations, or reissue, to SCI, for the sole use and behalf of SCI, its successors, assigns, and legal representatives, to the

full end of the term for which the Letters Patent may be granted, the same as they would have been held and enjoyed by me had this assignment not been made, and I hereby authorize and request the equivalent authorities in foreign countries to issue the patents of their respective countries to SCI.

I agree that, when requested, I will, without charge to SCI, but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable, or convenient for securing and maintaining patents for the inventions in any and all countries and for vesting title thereto in SCI, its successors, assigns, and legal representatives or nominees.

I covenant with SCI, its successors, assigns, and legal representatives, that the interest and property hereby conveyed is free from all prior assignment, grant, mortgage, license, or other encumbrance.
