CONFIRMATORY ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, and in fulfillment of my agreement, I the undersigned hereby:

1. Confirm a correction of a Confirmatory Assignment executed by me on or about May 6, 2011 or May 11, 2011, as the case may be, the correction being made by Wolf, Greenfield & Sacks, P.C. as authorized in said Confirmatory Assignment to correct a serial number to be "11/260,699" and to correct the state of incorporation of Chestnut Hill Sound, Inc., to be "Massachusetts."

2. Otherwise confirm that prior to October 27, 2005, I did sell, assign and transfer to Chestnut Hill Sound, Inc., a Massachusetts corporation, previously having a place of business at 90 Oak Street P.O. Box 68, Newton Upper Falls, Massachusetts 02464, its successors, namely Chestnut Hill Sound, Inc., a Delaware corporation, assigns and legal representatives, all hereinafter referred to as the Assignee, my entire right, title and interest for the United States and all foreign countries, in and to any and all inventions and designs which are disclosed in the application for United States Letters Patent filed in the United States Patent and Trademark Office on October 27, 2005 under Serial No. 11/260,699, bearing Attorney Docket No. M1125.70004US01, and titled ENTERTAINMENT SYSTEM WITH BANDLESS TUNING, REMOTE CONTROL, ALARM AND UNIVERSAL DOCKING, and in and to said application and all non-provisional, divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent, utility models, industrial designs or similar intellectual property rights which have been or shall be filed in the United States, internationally, and in any foreign country on any of said inventions; and in and to all original and reissued patents which have been or shall be issued in the United States or any other jurisdiction on said inventions, including the right to apply for patent rights in each foreign country and all rights to priority; confirm that any instrument with respect to U.S. Patent Application Serial No. 11/260,699, prior to October 27, 2005, appears to have been lost and, in any event, to the extent I have not previously done so, I do hereby sell, assign and transfer to said Assignee, effective as of October 27, 2005, my entire right, title and interest for the United States and all foreign countries, in and to any and all inventions and designs which are disclosed in the application for United States Letters Patent filed in the United States Patent and Trademark Office on October 27, 2005 under Serial No. 11/260,699, bearing Attorney Docket No. M1125.70004US01, and titled ENTERTAINMENT SYSTEM WITH BANDLESS TUNING, REMOTE CONTROL ALARM AND UNIVERSAL DOCKING, and in and to said application and all non-provisional, divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent, utility models, industrial designs or similar intellectual property rights which have been or shall be filed in the United States, internationally, and in any foreign country on any of said inventions; and in and to all original and reissued patents which have been or shall be issued in the United States or any other jurisdiction on said inventions, including the right to apply for patent rights in each foreign country and all rights to priority;

3. Agree that said Assignee may apply for and receive Letters Patent and utility model and industrial design registrations for said inventions in its own name; and when requested, without charge to but at the expense of said Assignee, I agree to carry out in good faith the intent and purpose of this assignment, by executing all non-provisional, divisional, continuing, substitute, renewal, reissue, and all other patent, utility model and industrial design applications on any and all said inventions, by executing all rightful oaths, assignments, powers of attorney and other papers, by communicating to said Assignee all facts known to me relating to said inventions and the history thereof, and generally by doing everything reasonably possible which said Assignee shall consider desirable for aiding in securing and maintaining proper protection for said inventions and for vesting title to said inventions and all applications for patents and all patents on said inventions, in said Assignee;

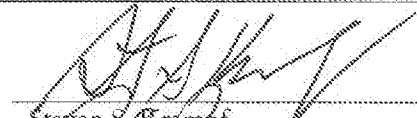

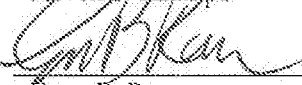

4. Request the Honorable Director of the United States Patent and Trademark Office to issue said Letters Patent to said Assignee:

5. Authorize and request Assignee's legal representative to: supply any missing patent/application identification information or correct any errors in the patent/application identification information provided above, whether discovered prior to or after recordation;

6. Covenant with said Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by me and that full right to convey the same as herein expressed is possessed by me; and

7. Appoint Assignee, through its designee, my attorney-in-fact to execute, in my name and on my behalf any and all documents required to effectuate this Assignment, specifically including, but not limited to, those documents specified above and any necessary corrective assignments.

This instrument is executed under seal and signed in the Commonwealth of Massachusetts under the pains and penalties of perjury under the laws of the United States of America.
