ASSIGNMENT OF INVENTION

Whereas, I, YU, Xintong ("Assignor"), am the original inventor of a claimed invention described in the Chinese Design Patent Application No. ZL201830013931.4, entitled WIRELESS ROBOTIC CLEANER, filed January 12, 2018 ("Patent Application");

Whereas, Ecovacs Robotics Co., Ltd., a corporation whose principal place of business is at No. 108, Shihu West Road, Suzhou, China ("Assignee"), has acquired the full and exclusive right, title and interest in the invention described in said Patent Application, and any patents and equivalent legal protections that are obtained thereon in the United States and in any foreign countries;

Now, therefore, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, its successors and assigns, the full and exclusive right, title and interest in the invention, any and all parts or aspects thereof, the Patent Application, and any patents and equivalent legal protections that are obtained thereon in the United States and in any foreign countries, including any continuations, divisions, renewals, substitutes, reissues or legal equivalents thereof, for the full term(s) for which the same is granted, including all priority rights under any international treaty or convention.

Assignor, in accordance with this Assignment, hereby authorizes and requests the United States Commissioner for Patents, and officials of foreign countries whose duty it is to issue patents or legal equivalents thereof, to issue any patents obtained on the invention to Assignee, its successors and assigns.

Assignor covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into that would conflict with this Assignment.

Assignor further covenants that he will promptly provide, upon request from Assignee, all pertinent facts and documents relating to this invention and any applications, patents or legal equivalents directed thereto that are known and accessible to Assignor, and that Assignor will testify in any United States or foreign patent office proceeding or litigation related thereto.

Assignor further covenants that he will promptly execute and deliver to Assignee or its legal representative any documents, instruments or affidavits required to apply for, obtain, maintain, issue and enforce this invention and any applications, patents or legal equivalents directed thereto in the United States or in any foreign country.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal this
