ASSIGNMENT

WHEREAS, we, Raymond Nilssen and Kevin D. Kinch, have invented certain new and useful improvements disclosed in an application for United States Letters Patent titled “**Shelf**”, having application Serial No. 29/629,326 and filed on December 12, 2017.

AND WHEREAS Hestan Commercial Corporation, a Delaware corporation (hereafter, together with any successors, legal representatives of assign thereof, called "Assignee"), wants to acquire the entire right, title and interest in and to said improvement and application.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we have sold, assigned, transferred and set over, and do hereby sell, assign, transfer and set over to Assignee the entire right, title and interest in and to said improvements, and said application and all non-provisional application claiming priority thereto, as well as divisions, substitutions, continuations and continuations-in-part thereof, and all United States Letters Patents which may be granted thereon and all reissues and extensions thereof, and all priority rights under the International Convention for the Protection of Industrial Property for every member country, and all applications for patents (including related rights such as utility-model registrations, inventor's certificates, and the like) heretofore or hereafter filed for said improvements in any foreign countries, and all patents (including all extensions, renewals and reissues thereof) granted for said improvements in any foreign countries; and we hereby authorize and request the United States Commissioner of Patents and Trademarks, and any officials of foreign countries whose duty it is to issue patents on applications as aforesaid, to issue all patents for said improvements to Assignee in accordance with the terms of this assignment;

AND WE HEREBY covenant that we have the full right to convey the entire rights herein assigned, and that we have not executed, and will not execute any agreement in conflict herewith;

AND WE HEREBY further covenant and agree that we will communicate to Assignee any facts known to us respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all non-provisional, divisional, continuation, continuations-in-part, substitute and reissue applications, make all rightful oaths and generally do everything possible

to aid Assignee to obtain and enforce proper patent protection for said improvements in all countries.

The above-identified application was made or authorized to be made by us. We believe that we are the original inventors or an original joint inventor of a claimed invention in the application. I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

IN TESTIMONY WHEREOF, I hereunto set my hand this:
