ASSIGNMENT

In consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of all of which is hereby acknowledged, **Daniel Innes** whose full post office address is 3 Moville Street, west Roxbury, MA 02132, United States; **Adam Udy**, whose full post office address is 507 Lowell Avenue, Newtonville, MA 02460, United States of America, and **Brian C. Burke**, whose full post office address is 17 Glasgow Ter., Mahwah, NJ 07430, United States of America (hereinafter "the Assignors") hereby confirm that they have sold, assigned, transferred and set over to, and do hereby sell and assign, transfer and set over to **SharkNinja Operating LLC**, (hereinafter "the Assignee"), whose full post office address is 89 A St., Needham, MA, 02494, United States of America, all of the Assignors' rights, title and interest, for Canada, the United States of America, its territories, dependencies and possessions, and for all other countries in the world, in and to the patent applications entitled **SURFACE CLEANING APPARATUS**, which are listed in the attached **Schedule "A"** (hereinafter the "Patent Applications"), and in and to the inventions set out therein, and all related applications thereon, including any and all, international, national and regional phase applications based on the said Patent Applications, and other counterpart applications in all countries, and any and all substitutes, divisionals, continuations and continuations-in-part, and any Letters Patent that may be obtained therefor, and in any and all reissues, extensions, renewals and reexaminations of such applications, all of same to be held and enjoyed by the Assignee, its assigns and successors, as fully and entirely as the same would have been held and enjoyed by the Assignors, had this Assignment not been made.

The Assignors shall without further consideration do all such things and execute all such documents as may be necessary or desirable to obtain and maintain the Patent Applications, and all related applications thereon, in any and all countries, and to vest title thereto in the Assignee, its successors, assigns and legal representatives or nominees.

The Assignors authorize and empower the Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any of the Patent Applications, and all related applications thereon, filed by the Assignors or the Assignee, the right to claim priority from any and all of the Patent Applications including the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from the Assignors.

The Commissioner of Patents & Trademarks is hereby authorized and requested to issue any Letters Patent for any of the Patent Applications, and all related applications thereon, to the Assignee, for its sole use and benefit; and for the use and benefit of its successors and assigns, to the full end of the term for which Letters Patent may be granted, as fully and entirely as the same would have been held by the Assignors had this Assignment and sale not been made.

If a provision of this Assignment is or becomes illegal, invalid or unenforceable in any jurisdiction, that shall not affect the validity or enforceability in that jurisdiction of any other provision of this Assignment, or the validity or enforceability in other jurisdictions of that or any other provision of this Assignment.

The Assignors hereby acknowledge that any willful false statement made in this assignment/declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

The Assignors authorize and empower Bereskin & Parr LLP/S.E.N.C.R.L., s.r.l., whose complete address is Scotia Plaza, 40 King Street West, 40th Floor, Toronto, Ontario M5H 3Y2, Canada to insert in this Assignment any further identification of the Patent Applications, to prepare any translations which may be

necessary or desirable in order to comply with the rules for recordation of this document in any country and to correct any clerical error in this assignment.
