ASSIGNMENT

WHEREAS, **Agenus Switzerland Inc.**, a corporation having its principal place of business at Hochbergerstrasse 60C, CH-4057 Basel, is the owner by assignment of certain rights, title and interest to the inventions described in the patent applications identified in Exhibit A hereto; and

WHEREAS, **Agenus Inc.**, a corporation of Delaware, having its principal place of business at 3 Forbes Road, Lexington, MA 02421, is desirous of acquiring all rights, title and interest in and to said inventions, said applications, and in and to any and all Letters Patents which may be granted for or upon said invention and applications in the United States of America and anywhere in the world.

NOW THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, **Agenus Switzerland Inc.** has sold, assigned and transferred, and by these presents to sell, assign and transfer unto the said **Agenus Inc.**, the full and exclusive right, title and interest, throughout the world, in, to and under the following:

- (a) the inventions as set forth and described, for example, in the patent application specifications identified in Exhibit A;
- (b) all patent applications identified in Exhibit A;
- (c) any and all patent applications, including Patent Cooperation Treaty (PCT) applications, directed to the inventions as set forth and described, for example, in the patent application specifications identified in Exhibit A;
- (d) any and all refilings, divisions, continuations, and continuations-in-part of those patent applications;
- (e) any and all patents of the United States of America which may issue from any of the above items;
- (f) any and all reissue and reexamination certificates of those patents;
- (g) any and all applications for the inventions filed in any and all countries foreign to the United States of America;

- (h) any and all refilings, divisions, and continuations of those foreign-filed applications;
- (i) any and all patents, certificates, and registrations of countries foreign to the United States of America which may issue from those foreign-filed applications, refilings, divisions, and continuations;
- (j) any and all extensions of, and additions to, the foreign-filed applications and patents, certificates, and registrations related thereto;
- (k) the right to claim priority to any of the foregoing; and
- (l) any and all claims, causes of action, and damages for past, present, and future infringement or other unauthorized use of the above items, along with the right to sue and to collect damages and other relief from any and all parties.

Agenus Switzerland Inc., further agrees that it will promptly execute and deliver to **Agenus Inc.** or its legal representatives any and all papers, instruments, and affidavits required to apply for, obtain, maintain, issue, and enforce all of the items listed above.

All of the above shall be held and enjoyed by **Agenus Inc.** and its successors, legal representatives, and assigns for their own use and benefit, for the full term for which the protections listed above may be granted, and **Agenus Switzerland Inc.** authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Patents granted for said inventions, whether on an application for said invention set forth in Exhibit A, or on any subsequently filed provisional, non-provisional, divisional, continuation, continuation-in-part, reissue, or other related application, to **Agenus Inc.**, its successors and assigns, as the assignee of their entire interest in said inventions and applications.
