US PATENT ASSIGNMENT (#2)

WHEREAS, **Tait Limited**, hereafter, together with any successors, legal representatives or assigns thereof, called ASSIGNOR, is the owner of the entire right, title, and interest and assignee of certain inventions and patents or patent applications relating to and disclosing such inventions (the "Patents") as identified in Schedule A.

WHEREAS, **Tait International Limited**, with a principal place of business at 245 Wooldridge Road, Harewood, Christchurch, 8051, New Zealand, hereafter, together with any successors, legal representatives or assigns thereof, called ASSIGNEE, is desirous of acquiring the entire right, title and interest in and to the Patents, and all the inventions therein.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged, ASSIGNOR agrees to assign, sell, transfer, grant and convey and hereby assigns, sells, transfers, grants and conveys to ASSIGNEE, its successors and assigns the entire right, title and interest in and to the Patents, and to the inventions therein disclosed and claimed and to all international priority rights relating thereto throughout the world, and in and to any and all continuations, continuations-in-part, divisionals, reissues, reexamination certificates, renewals and extensions thereof, along with any and all rights of enforcement with respect thereto, including all rights to sue, settle and recover damages relating to any past, present, and future infringement, violation and/or misappropriation thereof, and any and all causes of action related thereto, including the right to collect and receive any damages, royalties, or settlements for such infringements, all rights to sue for injunctive or other equitable relief, and any and all causes of action relating to any of the inventions or discoveries thereof, said letters patent to be held and enjoyed by ASSIGNEE for its use and benefit and for the use and benefit of its successors and assigns as fully and entirely as the same would have been held and enjoyed by ASSIGNOR had this assignment, transfer, and sale not been made.

ASSIGNOR agrees to execute all instruments and documents required for litigation regarding any letters patent issuing on the Patents or for the purpose of protecting title to said inventions or Patents. The ASSIGNEE may apply for and receive patents in its own name wherever so permitted by law.

ASSIGNOR also agrees to assign, sell, transfer, grant and convey and hereby sells, assigns, transfers, grants and conveys to ASSIGNEE the full and exclusive right, title and interest in and to said Patents, and all applications for Letters Patent which may evolve therefrom, including the right to claim priority, including International Convention priority, based thereon.

ASSIGNOR hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment and sale.

IN WITNESS WHEREOF, the parties have caused to be executed this instrument, effective as of the 27th day of July, 2018.
