ASSIGNMENT

WHEREAS, We, MARK R. WILKINSON and THOMAS B. MONAHAN, residing at Huntington, MA and Holyoke, MA, respectively, have invented certain new and useful improvements in a

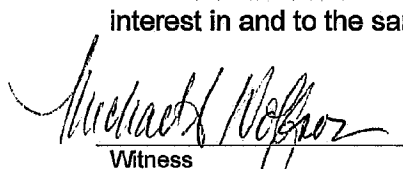

DESIGN FOR PILLAR LANTERN RING

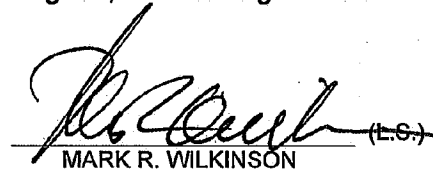

for which an application for Design Letters Patent of the United States of America was executed concurrently herewith and is being filed herewith;

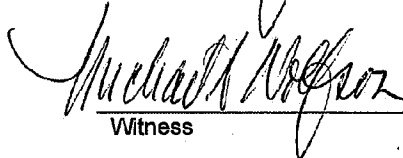

WHEREAS, SEAL-RYT CORP. (hereinafter "Assignee"), a Massachusetts corporation doing business at Westfield, MA, U.S., is desirous of acquiring the entire interest in and to the invention, and in any and all Letters Patent of the United States that may be obtained therefore;

NOW, THEREFORE, be it known that for sufficient consideration, the receipt and sufficiency whereof are hereby acknowledged, we have sold, assigned, and transferred, and by these presents do sell, assign, and transfer unto said Assignee, its legal representatives, successors, and assigns, the full and exclusive right in and to the invention as fully set forth and described in the above-mentioned application, and to the application and any and all divisions and continuations thereof, and any and all Letters Patent of the United States which may be granted therefore, and any and all reissues of the Letters Patent, and any corresponding PCT or international or National Phase patent application that may be filed, the same to be held and enjoyed by said Assignee, its legal representatives, successors, and assigns, to the full end of the term, for which the Letters Patent may be granted or may be reissued or extended, as fully and entirely as the same would have been held by us, had this assignment and sale not been made.

AND WE hereby authorize said Assignee to make an application for Letters Patent and the Director to issue any and all Letters Patent of the United States on the invention or resulting from the application and from any and all divisions and continuations thereof to said Assignee, as the assignee of the entire right, title, and interest in and to the same.
