The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I have reviewed and understand the contents of the above-identified application, including the claims

I acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to me to be
material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which
became available between the filing date of the prior application and the national or PCT international filing date of the
continuation-in-part application

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, as assignor, hereby sell,
assign and set over to AQ Kaspersky Lab, having an address at 39A/3 Leningradskoe Shosse, Moscow 125212, Russia, as
assignee, the entire right, title and interest for the United States and all other countries in and to all inventions disclosed
and/or claimed in the above-identified application, all original, divisional, continuation, substitute or reissue applications and
patents applied for or granted therefor in the United States and all other countries, including all rights of priority from the filing
of said application, and all rights for past infringement, and the Commissioner of Patents and Trademarks is hereby
authorized and requested to issue all patents on said inventions or resulting therefrom to said assignee herein, as assignee
of the entire interest therein; and the undersigned for myself and my legal representatives, heirs and assigns do hereby agree
and covenant without further remuneration, to execute and deliver all divisional, continuation, reissue and other applications
for Patent on said inventions and all assignments thereof to said assignee or its assigns, to communicate to said assignee or
its representatives all facts known to the undersigned respecting said inventions, whenever requested, to testify in any
interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful
papers, make all rightful oaths, and to do generally everything necessary to assist assignee, its successors, assigns and
nominees to obtain patent protection for said inventions in the United States and all other countries, the expenses incident to
said applications to be borne and paid by said assignee.

The undersigned hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or
entered into which would conflict with this assignment.

All statements made herein of my/our own knowledge are true, all statements made herein on information and belief are
believed to be true, and further that these statements were made with the knowledge that willful false statements and the like
are punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both, and may jeopardize the
validity of the application or any patent issuing thereon.
