ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, the undersigned, **Sean T. Scanlon** of Providence, Rhode Island, who has created a certain invention for which a design patent application, U.S. Serial No. 29/115,514 was filed on December 17, 1999, which has issued as U.S. Patent No. D433,776 on November 14, 2000, and which is entitled

SAFETY HELMET

Do hereby sell, assign and transfer to **Tasco Corporation**, a company existing under the laws of Rhode Island, having a place of business at 37 Tripps Lane, Riverside, Rhode Island 02915-3013, (hereinafter Assignee), its successors, assigns, nominees or other legal representatives, *nunc pro tunc* as of June 29, 2018, the full, exclusive, entire worldwide right, title and interest in and to said invention, the full, exclusive, entire worldwide right, title and interest in and to any and all patent applications having a relation to said invention filed in the United States, its territorial possessions and all foreign countries, the full, exclusive, entire worldwide right, title and interest in and to any and all Letters Patent which may be granted in relation to said invention in the United States, its territorial possessions and all foreign countries, and the full, exclusive, entire worldwide right, title and interest in and to any and all continuations-in-part, continuations, divisions, substitutes, reissues, reexaminations, extensions thereof, and all other forms of protection relating thereto which have been or shall be filed in the United States, its territorial possessions and/or any foreign countries, and all rights, together with all priority rights, under any of the international conventions, unions, agreements, acts, and treaties, including all future conventions, unions agreements, acts, and treaties;

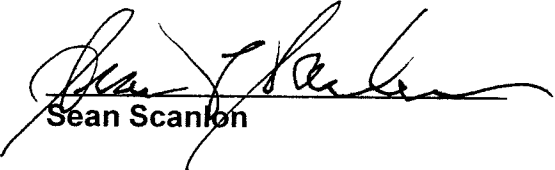

Agree that said Assignee may apply for and receive Letters Patent for said invention, in its own name, in the United States, its territorial possessions, and all foreign countries; and that, when requested to carry out in good faith the intent and purpose of this assignment, at the expense of said Assignee, its successors, assigns and legal representatives, I, the undersigned, will execute all continuations-in-part, continuations, divisions, substitutes, reexaminations, reissues, and extensions thereof, execute all rightful oaths, assignments, powers of attorney and other papers, testify in any legal or quasi legal proceedings; communicate to said Assignee, its successors, assigns or legal representatives all facts known to me, the undersigned, relating to said invention and the history thereof; and generally do everything possible which said Assignee, its successors, assigns, or legal representatives shall consider desirable for aiding in securing, maintaining and enforcing rights having a relation to said invention and for vesting title to said invention and all patents and applications for patents on said invention in said Assignee, its successors, assigns, or legal representatives;

Covenant that I, the undersigned, have the full right to convey the said entire interest herein assigned and that I, the undersigned, have not executed and will not execute any agreement in conflict herewith; and,

Consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Assignee to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

IN TESTIMONY WHEREOF I have hereunto set my signature on the date indicated below.
