ASSIGNMENT

Whereas, we, STEVEN J. KNIGHT, a citizen of the United States of America, residing at 135 HIDEAWAY DRIVE, MISSION HILL, SD 57046; JOSEPH J. HEALY, a citizen of the United States of America, residing at 609 DOUGLAS AVE., YANKTON, SD 57078; and JASON EUGENE ANDERSON, a citizen of the United States of America, residing at 805 BURGESS, RD., YANKTON, SD 57078, have made an invention in

CARGO COVERING APPARATUS

for which a U.S. provisional patent application was filed on October 6, 2017 and assigned application number 62/569,029; and for which we have prepared a U.S. non-provisional patent application based on our said invention (hereinafter said provisional and nonprovisional applications are jointly and individually referred to as "said applications");

Now, therefore, for good and valuable consideration, the receipt and adequacy and sufficiency of which are hereby acknowledged, we have agreed to assign and transfer and do hereby assign and transfer unto

SHUR-CO, LLC

(hereinafter called "Company"), a limited liability company of SOUTH DAKOTA having its principal office at 2309 SHUR-LOK STREET, YANKTON, SD 57078-0713, its successors and assigns, the entire right, title and interest in and to the said invention and said applications, and in and to any non-provisional utility application, any division or continuation or continuation-in-part based upon said invention and said applications, and in and to any and all improvements in the said invention made by us jointly, or one of us alone or jointly with others, and in and to any and all Letters Patent and reissues and extensions thereof of the United States of America and countries foreign thereto (including the right to apply for Letters Patent in Foreign countries in its own name and to claim any and all priority rights for such foreign applications to which such applications are or may be entitled under international conventions, treaties, or otherwise) which have been or may be granted on said application or on any non-provisional utility, divisional, continuation (in whole or in part), renewal, reissue or other or further application based in whole or in part upon the said invention or improvements thereon, to be held and enjoyed by said Company as fully and exclusively as they would have been by me had this assignment and transfer not been made;

PATENT**REEL: 047065 FRAME: 0544**

We further agree for ourselves and for our heirs, executors and administrators, to execute and deliver without further consideration any further applications, assignments and documents, and to perform such other lawful acts, that may be deemed necessary by the aforesaid Company, its successors, assigns and nominees, fully to secure its interest as aforesaid and to obtain or maintain Letters Patent in any and all countries;

And we do hereby authorize and request any official whose duty it is to issue patents, to issue any and all patents as may be granted upon any of the aforesaid applications to the aforesaid Company, as the assignee of the entire interest therein.

We hereby further warrant that we have not knowingly conveyed to others any right in said inventions, discoveries, applications or patents or any license to use the same or to make, use or sell anything embodying or utilizing any of said inventions or discoveries; and that we have good right to assign the same to Company without encumbrance.

We also hereby assign in all countries of the world any and all of our right, title and interest in and to any and all copyright property appertaining any drawings or other materials relating to the tangible means of expression and illustration of the said inventions and discoveries.

In witness whereof, we have hereunto signed our names on the day and year set forth below.
