## ASSIGNMENT

WHEREAS,

Achim KIEFEL, Wiesenstrasse 3, D-57520 Derschen, Germany

has made an invention in:

### ACTUATOR

and has executed an application for Letters Patent of the United States of America based thereon

<> the \_\_\_\_\_ day of \_\_\_\_\_ 2018

<> on even date herewith

<X> and subsequently (\*) officially identified as Serial Number 29/658,220  
filed on : July 30, 2018

AND WHEREAS, EMG Automation GmbH, Industriestrasse 1, D-57482, Wenden, Germany, is desirous of acquiring the entire right (including priority rights under any and all International Conventions), title and interest in and to the said invention in and throughout the United States of America, its Territories, and all countries foreign thereto, and in and to the said application for Letters Patent, and in and to any and all Letters Patent of the United States of America and countries foreign thereto, which have been or may be granted on said invention or any part thereof;

NOW THEREFORE, for one dollar and other good and valuable consideration, receipt of which is hereby acknowledged the said

Achim KIEFEL

has agreed to and does hereby sell, assign and transfer unto the said EMG Automation GmbH the entire right (including priority rights under any and all International Conventions), title and interest in and throughout the United States of America, its Territories and all countries foreign thereto in and to said invention, said design patent application for Letters Patent, and any and all Letters Patent and extensions thereto, of the United States of America and countries foreign thereto which have been or may be granted on said invention or any part thereof, or on said design patent application or any divisional, continuing, or other applications based on whole or in part thereon, or based upon said invention;

TO BE HELD AND ENJOYED by the said EMG Automation GmbH, its heirs, executors, administrators, successors, and assigns to the full ends of the terms for which said Letters Patent or any of them have been or be granted, as fully and entirely as the same would have been held and enjoyed by me had no sale and assignment of said interest been made; and I do hereby authorize and request the Commissioner of Patents of the United States of America to issue any and all Letters Patent of the United States of America which may be granted upon the said applications above referred to, or any of them, or upon said invention or any part thereof, to EMG Automation

GmbH aforesaid; and I hereby agree for myself and for my heirs, executors and administrators, to execute without further consideration any further lawful documents and any further assurances, and any application for Letters Patent that may be deemed necessary by the assignee herein named, fully to secure to the said assignee EMG Automation GmbH interest as aforesaid in and to said invention or any part thereof, and in and to several Letters Patent or any of them.

And I do hereby covenant for myself and my legal representatives and agree with EMG Automation GmbH, its successors and assigns that I have granted no license to make, use or sell the said invention, that prior to the execution of this deed their right, title and interest in the said invention had not been encumbered, that I then had good right and title to sell and assign the same and that I have not executed and will not execute any instrument in conflict herewith.

(\*) And, I hereby appoint Horst M. Kasper to insert in this instrument after execution identifying information and in particular the serial number and the filing date of said design patent application for United States Letters Patent when officially notified thereof.

In Witness whereof, I have hereunto set my hands and affixed my seal this \_\_\_ day of \_\_\_\_\_ A.D. 2018
