**ASSIGNMENT**

WHEREAS I, **Jeff Franco**, [hereinafter referred to as Assignor], have made the inventions for which I executed the patent applications identified in Appendix A, attached;

WHEREAS, **OcuDyne, Inc.**, a Delaware Corporation, whose post office address is 5201 W. Park Blvd., Suite 100, Plano, TX 75093 (hereinafter referred to as Assignee), is desirous of securing any and all right, title, and interest that I may have in and to the inventions in all countries throughout the world, and in and to the applications listed in Appendix A, and to the Letters Patent to be issued upon the applications listed in Appendix A;

NOW THEREFORE, be it known that, for good and valuable consideration, the receipt of which from Assignee is hereby acknowledged, I, as Assignor, to the extent I hold any right, title, and interest in and to the inventions described in the applications identified in Appendix A, I hereby sell, assign, transfer, and set over all such right, title, and interest to Assignee, including my entire right, title, and interest in and to the applications identified in Appendix A, and all nonprovisional applications, divisions, and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority on the basis of the applications identified in Appendix A, and all applications for Letters Patent filed for the inventions described in the applications identified in Appendix A in any foreign country and all Letters Patent which may be granted thereon in any foreign country, and all extensions, renewals, and reissues thereof; and I hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on the applications as described above, to issue all Letters Patent for the inventions described in the applications listed in Appendix A to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, I HEREBY covenant and agree that I will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me respecting the inventions described in the applications listed in Appendix A, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to the inventions described in the applications identified in Appendix A in said Assignee, its successors or assigns, execute all non-provisional, divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for the inventions in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.
