ASSIGNMENT

WHEREAS, I, **J. T. Capps, Jr.**, a citizen of the United States of America residing at 1812 Billy Clark Road Huntington, Texas 75949 ("Assignors"), have invented certain new and useful invention for "**AUTOMATED CORE VENEER FEEDER AND LAYER FOR MANUFACTURING PLYWOOD**" for which U.S. Patent Application Number 62/047,143 was filed on September 8, 2014 (Docket Number 30341*-USA); and

WHEREAS, **Georgia-Pacific Wood Products LLC**, a limited liability company of the State of Delaware having a place of business at 133 Peachtree Street, N.E., Atlanta, Georgia 30303 ("Assignee"), desires acquiring or has acquired Assignor's interest in the above-identified invention, the above-identified patent application, and any related patent applications and patents;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignors by these presents do hereby sell, assign, and transfer, or by virtue of employment agreements or other applicable agreements have sold, assigned, and transferred, unto Assignee, its successors, legal representatives, and assigns, Assignors' entire right, title, and interest in and to the above-identified invention, the above-identified patent application, any U.S. or foreign patent applications related to the above-identified invention, any U.S. or foreign patent applications claiming priority to any of the above-referenced patent applications, including any division, continuation, continuation-in-part, reexamination, reissue, extension, substitution, or renewal of any of the above-referenced patent applications, any right to claim priority arising from or required for any of the above-referenced patent applications under any applicable convention, treaty, statute, or regulation, any other right, privilege, or form of protection related to the above-identified invention or any of the above-referenced patent applications, and any U.S. or foreign patent granted from any of the above-referenced patent applications, to the full end of the term of the patent, to be held and enjoyed by Assignee, its successors, legal representatives, and assigns as fully and entirely as it would have been held and enjoyed by Assignors;

AND, Assignors hereby authorize Assignee to file any of the above-referenced patent applications in the name of Assignee or its designee, and Assignors authorize and request the patent office of any country to issue any patent granted from any of the above-referenced patent applications in the name of Assignee or its designee, and Assignors further authorize Assignee to insert the serial number and filing date of the above-identified patent application into this Assignment if unknown upon execution of this Assignment; and

AND, Assignors hereby warrant and covenant that Assignors have not and will not execute any assignment or other instrument in conflict with this Assignment;

AND, Assignors hereby covenant and agree to do everything possible to aid Assignee, its successors, legal representatives, and assigns, to obtain, maintain, and enforce protection in the U.S. and foreign countries for the above-referenced invention, patent applications, and patents, including signing lawful papers, executing patent applications, making assignments, rightful oaths, and declarations, and testifying in judicial or administrative proceedings.
