ASSIGNMENT

For valuable consideration, the sufficiency and receipt of which is acknowledged, I, **James Choe** of Carlsbad, California and a citizen of the United States of America (hereinafter, "Assignor"), hereby assigns to Vessel Brand, Inc., a corporation organized and existing under and by the virtue of the laws of the State of California and having a place of business located at 551 Dew Point Avenue, Carlsbad, California, 92011, and its successors and assigns (hereinafter, "the Assignee"), and the Assignee hereby accepts assignment of, the entire right, title, and interest throughout the world in the new, original and ornamental design for a "**VAPE PEN**," corresponding to the design of the "Expedition Series" of vape pens by Vessel Brand, Inc. and any and all related applications and patents, this assignment including said applications, any and all United States and foreign patents granted for any of said inventions or improvements, including all divisions, continuations, reissues, continuations-in-part, and extensions thereof, and the right to claim priority based on the filing date of said applications and based on the filing date of any provisional and other application of which said application claims the benefit under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and I authorize the Assignee to apply in all countries in my name or in its own name for patents and like rights of exclusion and for inventor's certificates for said inventions and improvements.

I, Assignor agree for myself and my heirs, legal representatives and assigns, without further compensation and upon request to perform such lawful acts as may be necessary to assist in filing or prosecuting any such application, promptly to provide the Assignee with all pertinent facts and documents relating to said invention or application as may be known and accessible to me, to testify in any interference, administrative proceeding or litigation related to said invention or application and to sign such further applications, assignments, Preliminary Statements, and other lawful documents as the Assignee may reasonably request to effectuate fully this Assignment.

I Assignor hereby further covenants that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this Assignment.

///
