ASSIGNMENT

WHEREAS, I, **Julian Jose Rimoli; Claudio V. Di Leo; Christine A. Gebara; and Juan D. Lavirgen**, have invented new and useful improvements in a “**Articulated joint mechanism for cable-based and tensegrity structures**” for which an application for United States Letters Patent was filed on 06/22/2018, having Serial No. 16/065,613; and

WHEREAS, **Georgia Tech Research Corporation**, whose post-office address is Office of Technology Licensing, 505 10th Street, Atlanta, GA 30332-0415, (“ASSIGNEE”) is desirous of acquiring the entire interest in the same;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I hereby do sell, assign and transfer unto said ASSIGNEE, the entire right, title and interest in and to said invention and application throughout the world, including, without limitation, any Letters Patent which may issue thereon, and any reissue, reexamination, division, continuation-in-part, extension or continuation thereof, including any regular utility patent application claiming priority thereon, and all rights of priority under the International Convention arising from said application; the same for its legal representatives and assigns, as fully and entirely as the same would have been held by me had this assignment and sale not been made;

AND, I hereby bind myself, my heirs, legal representatives, administrators and assigns properly to execute without further consideration any and all applications, petitions, oaths and assignments or other papers and instruments which may be necessary in order to carry into full force and effect, the sale, assignment, transfer and conveyance hereby made or intended to be made and generally do everything possible to aid ASSIGNEE, its legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries throughout the world. I hereby authorize attorneys for ASSIGNEE to fill in the filing date and serial number of the patent application for the above-referenced invention on this Assignment when such information becomes available.

IN WITNESS WHEREOF, I have executed this assignment on the date written below.
