## ASSIGNMENT

WHEREAS, we, the undersigned, Gerard M. Toscani, a U.S. citizen residing at 711 Garwood Rd., Moorestown, NJ 08057, and Efrain Rodriguez, a U.S. citizen residing at 12 Bank St., Bordentown, NJ 08505, have made a certain new and useful invention for United States Letters Patent, as set forth in an application for United States Letters Design Patent, entitled Battery Jump Starting Connection Detection System and Method, executed by us on the date of execution of this document, as shown below;

WHEREAS, we confirm and acknowledge that we are the two, joint co-inventors named in the above-referenced application, each co-inventor owning one-half of all rights and interests in said application;

WHEREAS, Paris Business Products, Inc., (assignee herein), a New Jersey corporation having an address of 800 Highland Drive, Westampton, NJ 08060, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefore;

NOW, THEREFORE, for good and valuable consideration, we do hereby sell, assign, transfer and set over unto Paris Business Products, Inc., its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-referenced application, including any continuations, continuations-in-part, divisions, reissues, reexaminations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

UPON SAID CONSIDERATION, we hereby agree with the said assignee that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts

as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuation-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or chooses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignors and assignee;

AND we request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said Paris Business Products, Inc., its legal representatives, successors or assigns, as the sole owners of the entire rights, titles and interests in and to said patent and the invention covered thereby.
