SANGUI INTELLECTUAL PROPERTY ASSIGNMENT

This INTELLECTUAL PROPERTY ASSIGNMENT is made and effective as of the date of execution below.

WHEREAS, as a participant in activities (including past, present or future) related to Sangui Bio Pty. Ltd ("Sangui" or "Assignee"), I understand and acknowledge that I may have, or may in the future, contributed to and/or developed Intellectual Property, including, without limitation, Intellectual Property which may, or may not, require me to be named as an author and/or inventor of certain intellectual property rights.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I hereto agree as follows:

I (the "Assignor") agree to, and do hereby, assign, sell and transfer any and all Intellectual Property to Sangui Bio Pty. Ltd (an Australian corporation having an address of 63 Kangaroo Street, Manly, NSW, Australia 2095) its successors, assigns and legal representatives. Intellectual Property includes, without limitation, ideas, know-how, inventions, patent applications, discoveries, designs, developments, modifications, improvements, specifications, computer programs, formulae, techniques, trade secrets, packages, graphics or images, visual works and other works of authorship, whether or not patentable or copyrightable (collectively, "Property Rights"), that were/are made, created, conceived of or reduced to practice in connection either directly or indirectly with my activities related to Sangui, regardless of whether any or all of these Property Rights are ever developed, pursued or commercialized.

This assignment includes, but is not limited to, the inventions and/or patent applications, set forth in Schedule 1 below and to all patent applications claiming priority thereto and to all continuations, continuations-in-part, divisions, and renewals thereof, and all patents which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed based in any way either directly or indirectly on the Property Rights in any country, together with the right to file such applications for all forms of industrial property protection and the right to claim for the same the priority rights derived from said patent under the patent laws of any applicable jurisdiction, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable.

Furthermore, I agree to execute any and all documents requested by Sangui, its successors, assigns, and /or legal representatives, for Sangui to pursue and fully enjoy the Property Rights in any territory around the world until the last of the Property Rights expire. I also agree that Sangui, its successors, assigns, and /or legal representatives may insert hereon any ~~further identification necessary or desirable for recordation of this document, including, without~~ limitation, the filing date and application number of any patent application when known.

The signatory (Assignor) hereto acknowledges no express or implied grant of any Property Rights is granted to them and further acknowledges that he/she freely and voluntarily

entered into this Agreement and understands the terms of this Agreement and the legal obligations thereby created.
