ASSIGNMENT OF UTILITY APPLICATION

Docket Number (Optional)

STJUDE 3.3F-336 (E)

WHEREAS, I, Peter N. Braido of 21460 Heidelberg St, NE, Linwood, Minnesota 55092, have invented or discovered inventions or discoveries, the subject matter of which is described in the patent application entitled "SUBANNULAR SEALING FOR PARAVALVULAR LEAK PROTECTION" (hereafter "Patent Application"),

WHEREAS (if the left box is checked), the International Patent Application was filed on May 12, 2015, as PCT/US2015/030358, designating the United States.

WHEREAS (if the left box is checked), the Patent Application names the following inventors: Peter N. Braido, Kent J. Smith, Andrea L. McCarthy, Andrea N. Para, Sounihara (Off) Khounaboua, Thomas M. Benson, Saravana Kumar, Bruce A. Moseman, and Gaurav C. Satam (and whereas I hereby authorize Lerner, David, Utterberg, Krumholz & Mentlik, LLP, to insert in here in brackets [Application No. 15/310,915, filed on November 14, 2016] the application number and filing date of the application when known), and

WHEREAS, St. Jude Medical, Cardiology Division, Inc., incorporated or otherwise formed in Delaware and having a place of business at 177 East County Road B, St. Paul, Minnesota 55117 (hereafter, the "assignee") is desirous of acquiring, or has acquired and is desirous of memorializing its acquisition further herein, the entire right, title and interest in same;

NOW, THEREFORE, for good and valuable consideration the receipt of which is hereby acknowledged, I agree as follows. I agree to assign, and hereby do assign, to the assignee my entire right, title and interest in and to the Assigned Applications in the United States of America and all other countries, where "Assigned Applications" means the Patent Application, including any and all inventions, discoveries and other subject matter described therein, any divisional, continuation, continuation-in-part, substitute, reissue, re-examination or other application claiming priority or benefit to the Patent Application pursuant to any law or treaty, and any patent issuing from the foregoing. I agree to assign, and hereby do assign, to assignee the right to claim such priority or benefit. I have not previously conveyed, nor am I aware of an obligation to convey, my rights in the Assigned Applications to a third party. I hereby authorize the U.S. Patent and Trademark Office, and any other governmental agency in the world, to issue to assignee all patents resulting from the Assigned Applications and to record assignee's ownership thereof. At assignee's reasonable request I agree, without further remuneration, to execute and deliver documents prepared at assignee's expense and to provide other cooperation, such as testimony, as may be reasonably required to evidence or protect assignee's rights in the Assigned Applications. Assignee may assign or transfer all or part of its rights set forth herein in its sole discretion. I agree that the assignee may affix its signature to this document as well as any other indicia of its acceptance of the provisions hereof. If any provision herein is unenforceable, the requirements of the provision shall remain to the full extent permissible by law and the offending portions thereof shall be deemed replaced, to the extent possible, with a provision most closely reflecting the purpose of the offending provision.

I further agree to assign, and hereby do assign, to assignee my entire right, title and interest in and to Provisional Application No. 61/994,271, filed May 16, 2014, such provisional application being considered an Assigned Application for all purposes herein.

I have not previously conveyed, nor am I aware of an obligation to convey, my rights in the Assigned Applications to a third party. I hereby authorize the U.S. Patent and Trademark Office, and any other governmental agency in the world, to issue to assignee all patents resulting from the Assigned Applications and to record assignee's ownership thereof. At assignee's reasonable request I agree, without further remuneration, to execute and deliver documents prepared at assignee's expense and to provide other cooperation, such as testimony, as may be reasonably required to evidence or protect assignee's rights in the Assigned Applications. Assignee may assign or transfer all or part of its rights set forth herein in its sole discretion. I agree that the assignee may affix its signature to this document as well as any other indicia of its acceptance of the provisions hereof. If any provision herein is unenforceable, the requirements of the provision shall remain to the full extent permissible by law and the offending portions thereof shall be deemed replaced, to the extent possible, with a provision most closely reflecting the purpose of the offending provision.</p> <p>I further agree to assign, and hereby do assign, to assignee my entire right, title and interest in and to Provisional Application No. <u>61/994,271</u>, filed <u>May 16, 2014</u>, such provisional application being considered an Assigned Application for all purposes herein.</p> <p style="text-align: center;"> <u>8/22/2018</u> (Date)  (Signature) </p> <p>State of Minnesota (County) of _____</p> <p>This instrument was acknowledged before me on _____ by Peter N.
