WITNESSETH:

WHEREAS, the Grantors are party to that certain First Lien Security Agreement, dated as of October 1, 2018 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”) in favor of the Collateral Agent pursuant to which the Grantors are required to execute and deliver this First Lien Patent Security Agreement (this “Patent Security Agreement”);

NOW, THEREFORE, in consideration of the premises and to induce the Collateral Agent, for the benefit of the Secured Creditors, to enter into the Credit Agreement, the Grantors hereby agree with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

As security for the Non-Priority Payment Obligations, each Grantor hereby pledges and grants to the Collateral Agent for the benefit of the Non-Priority Payment Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all the Patent Collateral of such Grantor.

SECTION 3. Security Agreement. The security interest granted pursuant to this Patent Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Security Agreement and Grantors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Patents made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
