ASSIGNMENT OF PATENTS AND APPLICATIONS

ALECO CONTAINER LLC, a Colorado limited liability company having a principal place of business at 5545 West 56th Avenue, Unit F, Arvada, Colorado 80002 (hereinafter ALECO), for good and valuable consideration, the receipt of which is hereby acknowledged, does hereby sell, assign and transfer to SCI LLLP, a Colorado Limited Liability Limited Partnership having its principle place of business at 3200 Ohio Way, Denver, Colorado 80209 (hereinafter SCI), its successors and assigns, the entire right, title and interest, including the right of priority, in, to and under the patents and patent applications of the United States set forth in Appendix A hereof, collectively "THE PATENTS," and the inventions(s) and improvement(s) set forth therein, and any and all non-provisional patent applications, claiming priority therefrom including continuations, divisionals, renewals of and substitutes claiming priority therefrom, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefor; and any reissues, or reexaminations, or extensions of said Letters Patents.

ALECO additionally authorizes SCI to file application in ALECO's name for Letters Patent corresponding to THE PATENTS in any country, to be held and enjoyed by SCI, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by ALECO had this assignment, sale and transfer not been made;

AND ALECO hereby covenants that it has full right to convey the entire interest herein assigned, and that ALECO has not executed and will not execute any agreement in conflict herewith, and ALECO further covenants and agrees that it will, each time a request is made, and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said invention(s) or improvement(s), said applications and said Letters Patent, to SCI, its successors, assigns, nominees or legal representatives, and ALECO agrees to communicate to SCI, or to its nominee, all known facts respecting said invention(s) or improvement(s), said applications and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisionals, continuations, reissue and foreign applications, to make all rightful oaths and declarations, and generally to do everything possible to aid SCI, its successors, assigns, nominees and legal representatives to obtain and enforce, for its own benefit, proper patent protection for said invention(s) or improvement(s) in any and

all countries provided the expenses which may be incurred by ALECO in lending such cooperation and assistance are paid by SCI;

AND ALECO hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue to SCI, as assignee of the entire right, title and interest, any and all Letters Patent for said invention(s) or improvement(s), including any and all Letters Patent of the United States which may be issued and granted on or as a result of the THE PATENTS aforesaid, in accordance with the terms of this assignment.
