PATENT AND INVENTION ASSIGNMENT

WHEREAS, the undersigned:

Larry Price, a citizen of the United States of America, residing at
2420 Weber Heights Way, Buford, Georgia 30519,

Charles Camp, a citizen of the United States of America, residing at
2040 Sage Court, Loganville, Georgia 30052, and

Greg Craig, a citizen of the United States of America, residing at
7905 Paddocks Mill Drive, Cumming, Georgia 30041

(hereinafter collectively referred to as "Assignors") have invented certain inventions and improvements disclosed in a non-provisional application for Letters Patent entitled **PACKAGING MACHINE FOR BEDDING PRODUCTS**, which application was filed in the United States Patent and Trademark Office on 9/20/2018, under application Serial No. 16/136,915;

WHEREAS, it is agreed that **Atlanta Attachment Company**, a Corporation of the State of Georgia, having its principal place of business at 362 Industrial Park Drive, Lawrenceville, Georgia 30046, is entitled to or is desirous of acquiring all right, title and interest related to the same;

NOW, THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignors, by these presents, do sell, assign and transfer unto **Atlanta Attachment Company**, the full, exclusive and entire right, title and interest: (i) in and to all inventions and improvements disclosed and described in said application, (ii) in and to said application, (iii) in and to all divisional, continuation, and continuation-in-part applications describing in whole or in part the said inventions and improvements, preparatory to obtaining Patents of the United States therefor, (iv) in and to all patents of the United States which may be granted on the foregoing and all reissues and extensions thereof, (v) in and to any provisional patent applications filed in the United States describing in whole or in part the said inventions and improvements, from which priority has been or may be claimed under Title 35 of the United States Code, and (vi) in and to the right to claim any applicable foreign and domestic priority rights arising from any of the afore-mentioned patent applications; and Assignors do hereby request the Commissioner of Patents to issue any and all Patents of the United States resulting from said application, or from a division, continuation, continuation-in-part, or reissue thereof, to **Atlanta Attachment Company** as Assignee, for its interest and for the sole use and behoof of **Atlanta Attachment Company** and its assigns and legal representatives;

For the same consideration, Assignors, by these presents do sell, assign and transfer to **Atlanta Attachment Company** the full, exclusive and entire right, title and interest: in and to any and all applications for industrial property protection, including without limitation, all applications for patents, utility models, inventors' certificates and designs, (the "Foreign Applications") filed or which are

U.S. Patent Application entitled "Packaging Machine for Bedding Products"
Assignment

hereafter filed in countries foreign to the United States and describing in whole or in part the said inventions and improvements, in and to any Patents and similar protective rights granted on said Foreign Applications, and in and to the right to file such applications and the right to claim any applicable priority rights arising from or required for said Foreign Applications under the terms of any applicable conventions, treaties, statutes, or regulations; said Foreign Applications to be filed and issued in the name of Atlanta Attachment Company or its respective designees, insofar as permitted by applicable law;

AND, for the same consideration, Assignors agree to sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and other applications, make all assignments and rightful oaths, and generally do everything legally possible to aid Atlanta Attachment Company, its successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world; and

Assignors covenant with Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned.

EMPLOYMENT AGREEMENT

This Employment Agreement terminates all prior employment contracts between the Employee and Atlanta Attachment Company, Inc. or Atlanta Attachment International, Inc.

1. This Employment Agreement does not guarantee continuation of employment for any period after hire date. I, Charles Andrew Camp (employee) reserve the right to terminate my employment at any time for any reason and "The Company" reserves the right to terminate my employment at any time for any reason.
2. I agree that, except as required in the course of my employment by "The Company," I will not duplicate, remove, transfer, disclose or utilize, nor knowingly allow any other person to duplicate, remove, transfer, disclose or utilize, such "Confidential Information," including but not limited to, marketing objectives and strategies, financial projections, planned product or services offerings, inventions, designs, drawings, blueprints, software, concepts, prototypes, techniques, procedures, systems, methods, advertising and promotional materials, lists of past, present, or prospective customers, and all ideas related to actual or anticipated business or research and development of "The Company".
3. I agree that for a period of one (1) year following termination of my employment for any reason whatsoever, I will not take any action to assist my successor employer or any other entity in employment solicitation or recruiting any other employee who had worked for "The Company" during any time period when I worked for "The Company". Such assistance includes identifying to such successors persons working for "The Company" who have special knowledge regarding "The Company's" business interests.
4. In exchange for my continued employment and pay, Employee agrees to transfer and assign to the corporation all of the employee's present and future rights, title and interests in all discoveries, inventions, patents, copyrights and applications for patents or copyrights for products and/or processes to be used primarily by persons in the Needle Trades Industry during the term of this agreement.

I HEREBY ACKNOWLEDGE THAT I HAVE READ THIS EMPLOYMENT AGREEMENT, UNDERSTAND IT, AND AGREE TO BE BOUND BY ITS RESTRICTIONS.
