**Declaration of Atabak R. Royace, Regarding an Improperly Filed Assignment
in the Above-Referenced Application**

Sir:

I, Atabak R. Royace hereby declare as follows:

1. I am an attorney of record in the above-reference application.
2. Boehringer Ingelheim International GmbH is the correct owner and assignee of the above-referenced application which claims priority to US Patent Application Number 13/676,511, filed on November 14, 2012, now U.S. Patent No: 9,023,995, issued on May 5, 2015, the assignment in which was recorded in Reel/Frame No. 031171/0647, on September 10, 2013, conveying assignment interest from inventors, Su-Ellen Brown, Keith Canada, Lukasz Chlewicki, Michael Howell, Detlev Mennerich and Robert Joseph Woska, Jr., to Boehringer Ingelheim International GmbH.
3. It has come to my attention that in the above-referenced application an erroneous or improper assignment by another company has been filed against the owner's application in Reel/Frame No. 036763/0742, improperly indicating an assignment from certain individual assignors (Rickard Coster, Vincent Huang, Tony Larsson and Mona Matti, who are unrelated to the above-referenced application) to Telefonaktiebolaget L M Ericsson (Publ).

4. The Assignment recorded under Reel/Frame No. 036763/0742 is erroneous and improper and must be removed. Neither the individual assignors listed, nor Telefonaktiebolaget L M Ericsson (Publ) has any connection to the above-referenced application.
5. Pursuant to MPEP 323.01(c), I called Ericsson Inc. on June 14, 2018, at 11:30 AM, to request that corrective papers be filed with the Patent Office. However, no one with knowledge or authority on the matter could be reached. More specifically, I called telephone number 972-583-0000, which according to a Google search, was related the correspondence address (6300 Legacy Drive, Plano, TX 75024) provided in the assignment recorded under Reel/Frame No. 036763/0742.
6. Boehringer Ingelheim International GmbH has always been and continues to be the last correct assignee and the owner of the above-referenced application as it is evidenced by the assignment recorded in the parent application (i.e., Application No. 13/676,511) in Reel/Frame No. 031171/0647.
7. Therefore, the Office is respectfully requested to remove the erroneous or improper assignment recorded under Reel/Frame No. 036763/0742.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted,

/Atabak R. Royae/
