Assignment of Patent Rights

For good and valuable consideration, the receipt of which is hereby acknowledged, Tristram C. Dunn ("Assignor"), does hereby

(a) irrevocably assign to Firefly Solutions, LLC, a Connecticut limited liability company having a business address at 4 Walmsley Road, Darien, Connecticut, 06820 ("Assignee")

- (1) its entire right, title and interest in the patents and patent applications listed in the Schedule attached hereto, and all continuations, continuations-in-part, divisionals, reissues and reexaminations, and all foreign counterparts related thereto or claiming priority therefrom including but not limited to the right to collect royalties under such patents; and
- (2) the right to sue third parties for infringement (including but not limited to damages) accruing based on activities occurring prior to the execution date hereof, including but not limited to all rights to recover damages for infringement of provisional rights;

(b) agree, upon request (and at the entire expense) of Assignee to execute all oaths, assignments, powers of attorney, applications and any other papers necessary to perfect Assignee's title in the foregoing.

Assignor grants the attorney of record the power to insert on this Assignment any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

This Assignment may be executed in one or more counterparts, each of which shall be deemed an original and all of which may be taken together as one and the same Assignment.

The effective date of this Assignment is June \_\_\_\_, 2018.
