And I further covenant and agree that I will, at the request and expense of the said ASSIGNEE, execute such other and further assurances of title as may be necessary or proper to fully convey the interest herein sought to be conveyed; that I will, at the request and expense of the said ASSIGNEE execute such application papers as may be desired by the said ASSIGNEE, for the filing of any divisional or renewal of the application herein conveyed, or for reissues or extensions, of any Letters Patent that may be granted upon said Statements, or other papers as desired by the said ASSIGNEE.

And I further assign unto the said ASSIGNEE, the whole right, title, and interest to the invention disclosed in the application throughout all countries foreign to the United States, and do hereby authorize the said ASSIGNEE to apply for patents therefore in its own name in countries where such procedure is proper and to claim the benefit of the International Conventions and do agree to execute applications for the said invention in the several countries where it is necessary that the same be executed by the inventors, and to execute assignments of such applications to the ASSIGNEE herein, as well as all other necessary Papers.

And I further agree that the terms, covenants and conditions of this assignment shall inure to the benefit of the ASSIGNEE, its successors, assigns, and other legal
