ASSIGNMENT

WHEREAS, I the undersigned have made certain inventions and/or improvements, as set forth in an application for Letters Patent of the United States of America, entitled:

CPR CHEST COMPRESSION DEVICE WITH LATERAL SUPPORT PAD

Filing date: 2018-10-23

Serial No: 16/168,001

And

Physio-Control, Inc. (hereinafter called Assignee), a Washington corporation whose address is 11811 Willows Road NE, Redmond, Washington 98052 desires to acquire my entire right, title and interest in and to said improvements and said application(s);

For good and valuable consideration, the receipt and sufficiency of which is acknowledged, I hereby assign and transfer to Assignee my entire right, title and interest in and to said inventions and/or improvements throughout the world, and in and to said application(s), including any previously filed provisional application(s) and any continuation(s) or division(s) thereof, and any Letters Patent or other protective right(s) that may be granted therefor in the United States and in any and all foreign countries, including the right to file in foreign countries applications for protection of said improvements claiming priority from said application(s).

I hereby authorize and request the Commissioner of Patents and Trademarks of the United States and corresponding officials in any and all foreign countries to issue said Letters Patent(s) or protective right(s) to Assignee as the assignee of my entire right, title and interest therein, for the sole use and benefit of Assignee.

I hereby covenant that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith.

I hereby agree to communicate to Assignee or its legal representatives any facts known to me relating to said improvements, to testify as to the same in any interference or legal proceeding concerned therewith, to execute promptly and deliver to Assignee or its legal representatives upon request any and all papers, instruments, declarations and affidavits required to apply for, obtain, maintain and enforce Letters Patent(s) or other protective right(s) for said improvements throughout the world, and generally to do everything necessary or desirable to vest and perfect title thereto in Assignee.

This assignment is binding upon me and my heirs, successors and personal representatives, and shall inure to the benefit of Assignee, its successors, assigns and nominees.

In the event that the patent application filing date or serial number is not known at the time this document is executed, Assignor hereby grants permission to the attorneys of record in the patent application, now identified above by attorney docket number and title, to fill in the filing date and/or serial number above, and to record this assignment after such information is added.
