ASSIGNMENT

I:
Christophe SAUTEREAU
26 avenue Andre Devienne
Chaponost, FR 69630

being the inventor(s) of certain improvements in the application entitled: "STORAGE AND DISPENSER DEVICE" for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, hereby assign unto Merial INC., having a place of business at 3239 Satellite Blvd., Duluth, Georgia 30096, U.S.A., its successors and assigns (1) the entire right, title and interest in all countries throughout the world in and to any and all of my/our inventions and discoveries in my/our United States Patent application filed on April 19, 2018 subsequently identified as U.S. Patent Application No. 15/769,664. This application is a 371 of an International Patent Application, filed under the Patent Cooperation Treaty in the United States Receiving Office (RO/US) on October 21, 2016, subsequently identified as International Patent Application No. PCT/US16/58910, and any renewals, revivals, reissues, reexaminations, extensions, continuations and divisions thereof, and any substitute applications therefore; (2) the full and complete right to file patent applications in the name of Merial INC., or their designee's election, on the aforesaid inventions, discoveries and applications in all countries of the world; (3) the entire right title and interest in and to any Letters Patent which may issue on the aforesaid inventions, discoveries and applications in any country of the world and any renewals, revivals, reissues, reexaminations and extensions thereof, and any patents of confirmation, registration and importation of the same; and (4) the entire right, title and interest in and to all Convention and Treaty Rights of all kinds thereon, including without limitation all rights of priority in any country of the world, in and to the following priority application(s):

United States Provisional Application No. 62/244,616 filed 21 October 2015

and all rights of priority in any country of the world deriving from the above-identified International Application.

I hereby authorize and request the competent authorities to grant and to issue any and all such Letters Patent in any country throughout the world to Merial INC. as the assignee of the entire right, title and interest therein, as fully and entirely as the same would have been held and enjoyed by me/us had this assignment, sale and transfer not been made.

I agree, at any time, upon the request of Merial INC., to execute and to deliver to Merial INC. any additional applications for patents for said inventions and discoveries, or any part or parts

thereof, and any applications for patents of confirmation, registration and importation based on any Letters Patent issuing on said inventions, discoveries or applications, and divisions, continuations, renewals, revivals, reissues, reexaminations and extensions thereof.

I further agree, at any time, upon request of MERAL INC., to execute and to deliver to MERAL INC., such additional documents, if any, as are necessary or desirable to secure patent protection on said inventions, discoveries and applications throughout all countries of the world, and otherwise to do what is necessary to give full effect to and to perfect any and all rights of MERAL INC., under this Assignment, including the execution, delivery and procurement of any and all further documents evidencing this assignment, transfer and sale as may be necessary or desirable.

In testimony of which I have hereupon affixed my signature, it is my intention that this Assignment instrument be effective, and all rights transferred herein shall be considered to have vested in MERAL INC., as of the 21 October 2015, the filing date of United States Provisional Application No. 62/244,616 from which earliest priority is hereby claimed.
