ASSIGNMENT

Adiabatics, Inc.

00300-0319

ASSIGNMENT

(Joint Inventors)

I am one of the persons identified as an inventor and who has contributed to a new and useful invention (the "Invention") described in the provisional, utility, or design United States patent application and/or the patent application identified below. The patent application is identified as follows:

Title: THERMAL BARRIER COATINGS CONTAINING
ALUMINOSILICATE PARTICLES

Inventors: Michael J. Andrie, Lloyd Kamo, and Alexander Kamo

Attorney Docket Number: 00300-0319

For good and valuable consideration, the receipt of which I hereby acknowledge, I do hereby sell, assign, and transfer to Adiabatics, Inc., and to its legal representatives, successors and assigns, my entire right, title and interest in and to the Invention and to all United States provisional, utility, and design applications as well as foreign patents or patent applications any of which cover all or part of the Invention. Adiabatics, Inc. shall hold such right, title and interest as fully and completely as they would have been held by me had this assignment and sale not been made.

I further agree, upon Adiabatics, Inc.'s request, to execute any documents, including any separate assignments, declarations or other legal documents, that Adiabatics, Inc. may find necessary or desirable in its exercise of the right, title and interest assigned above. I further agree to communicate to Adiabatics, Inc. any facts relating either to the Invention or to any of the patent or patent applications based on the Invention that might be useful to Adiabatics, Inc. and to testify about any such facts in any interferences or litigation, if requested by Adiabatics, Inc. to do so. I shall do the above acts without additional compensation but at no expense to me.

Adiabatics, Inc. is specifically authorized to record this document as evidence of my assignment to Adiabatics, Inc. of any subsequent United States patent application claiming priority from any of the above identified patent applications.
