ASSIGNMENT OF PATENTS, DESIGNS AND TRADEMARKS

This Assignment is dated as of June 20, 2018 (this "Assignment"), and having an effective date of June 5, 2018 (the "Effective Date"), by and between Medical Vision AB, a Swedish company having a registered address at Hästholmsvägen 32 3 tr, 131 30 Nacka, Sweden ("Assignor"), and Inshitra Medical, Inc., a Delaware corporation having an address as 141 Hatcher Lande, Clarksville, Tennessee 37043 ("Assignee").

WHEREAS, as of the Effective Date, Assignor was the sole and exclusive owner of those patents, patent applications and designs identified in attached Appendix 3.1.21 (the "Patents");

WHEREAS, as of the Effective Date, Assignor was the sole and exclusive owner of those trademarks identified in attached Appendix 3.1.21 (the "Trademarks");

WHEREAS, the Assignor and Assignee are parties to that certain Asset Purchase Agreement, dated as of May 13, 2018 (the "Agreement"), pursuant to which Assignor agreed to sell and Assignee agreed to purchase the Acquired Assets pursuant to the Agreement.

NOW, THEREFORE, in consideration for the Purchase Price and promises and covenants set forth in the Agreement and the sum of One Dollar (\$1.00) and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged,

1. Assignor does hereby, as of the Effective Date, sell, convey, assign, transfer and set over unto Assignee, and Assignee does hereby accept, all of Assignor's rights, title and interest in and to the Patents, free and clear of all liens, security interests and encumbrances, together with all reissues, continuations, continuations in part, divisions and reexaminations, revisions, extensions, thereof, and all convention and treaty rights, in the United States and all other countries for all such subject matter, the same to be held and enjoyed by Assignee, for its own use and behalf, and for the use and behalf of its successors, assigns or other legal representatives, to the end of the term of which said Patents are granted or reissued, as fully and entirely as the same would have been held or enjoyed by Assignor if this Assignment had not been made; together with all preliminary invention records with respect thereto and all claims for profits and damages by reason of past infringement of said Patents, with the right to sue for and collect the same for its own use and behalf, and for the use and behalf of its successors, assigns or other legal representatives, and all goodwill associated therewith.

2. Assignor does hereby, as of the Effective Date, sell, convey, assign, transfer and set over unto to Assignee, and Assignee does hereby accept, all Assignor's right, title, and interest in and to the Trademarks, free and clear of all liens, security interests and encumbrances, together with the goodwill of the business associated with the Trademarks, the same to be held and enjoyed by Assignee, for its own use and behalf, and for the use and behalf of its successors, assigns or other legal representatives, to the end of the term of which said Trademarks are registered or valid, as fully and entirely as the same would have been held or enjoyed by Assignor if this Assignment had not been made; together with the right to sue and recover for past infringements, dilution, and other violations on its own behalf.

3. Assignor hereby agrees, at any time or from time to time, in accordance with the Agreement and upon request of Assignee, to do, execute, acknowledge and deliver, any and all further acts and deeds, assignments, instruments of transfer or conveyance, registrations or other documents as

(W0317506; 2)

may be necessary and proper to vest all right, title and interest in and to the Patents in Assignee and its successors and assigns. Assignor hereby irrevocably appoints Assignee, its successors and assigns, the attorney-in-fact for Assignor, with full power of substitution and revocation, to enforce and protect all rights in, to and under the Patents. This power of attorney shall not be affected by the subsequent dissolution and liquidation of Assignor.

4. Capitalized terms not defined herein shall have the meaning ascribed to them in the Agreement.

5. This Assignment is made pursuant to the Agreement and does not confer any different, additional or inconsistent rights, duties or obligations from the terms of the Agreement. In the event of a conflict, the terms of the Agreement shall control.

6. Assignor authorizes Assignee or its legal representative to insert in this instrument the filing date, serial number, and any other information that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office or any other domestic or foreign government entity for the recordation of this document.

7. The above Recitals are hereby incorporated herein and made a part of this Assignment.

8. Nothing expressed or implied herein is intended, or shall be construed, to confer upon or give any Person other than the parties hereto and their respective successors and assigns any rights or remedies under or by reason of this Assignment.

9. This Assignment may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement and instrument.

10. This Assignment shall be governed by and construed and enforced in accordance with the laws of the State of New York, applicable to contracts executed and performed in that state, without giving effect to conflicts-of-laws principles.

11. This Assignment may be filed and recorded among the records of the United States Patent and Trademark Office or any other domestic or foreign government entity for the recordation of this document around the world.

[signatures appear on next pages]

IN WITNESS WHEREOF, the parties have has caused this instrument to be executed by their respective duly authorized officers as of the date first above written.
