ASSIGNMENT OF INVENTION UNIVERSAL

WHEREAS, I/We

Geoffrey David Vincent Salter, whose full post office address is
4090 Bath Road, Kingston, Ontario, K7M 4Y7, Canada;

have invented certain improvements relating to **Machine-to-Machine Communications** which have described within documents including, but not limited to, that listed below:

"System Based Control of Programmable Devices" filed May 27, 2015 under U.S. Application No. 62/166,897 with the United States Patent and Trademark Office;

WHEREAS, Aztech Associates Inc., hereinafter referred to as the assignee, whose full post office address is **805 Bayridge Drive, Kingston, K7P 1T8, Ontario, Canada** is desirous of acquiring the entire right, title and interest in and to said invention or inventions and in and to any and all patents to be obtained therefor;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other valuable consideration, the receipt of which is hereby acknowledged, we have and by these presents do hereby sell, assign and transfer unto said assignee, its successors and assigns, the entire right, title and interest in and to said invention or inventions, as described in the aforesaid application / disclosure, in any form or embodiment thereof, and in and to the aforesaid application, and in and to any applications filed in any foreign country based thereon, including the right to file said foreign applications under the provisions of the International Convention; also the entire right, title and interest in and to any and all patents, reissues or extensions thereof to be obtained in this or any foreign country upon said invention or inventions, and any divisional, continuation, substitute application(s) or supplementary disclosure(s) which may be filed upon said invention or inventions, in any country; and we hereby authorize and request the issuing authority to issue any and all patents on said application or applications to said assignee.

WE FURTHER AGREE without any payment by said assignee other than expenses incurred by the undersigned, to communicate to said assignee, its representatives or agents, any facts relating to said invention or inventions, including evidence for interference purposes or for other proceedings, whenever requested; testify in any interference or other proceedings, whenever requested; and execute and deliver, on request, all lawful papers required to make any of the foregoing provisions effective; and likewise make these provisions binding upon our heirs, legal representatives, administrators and assigns.
