ASSIGNMENT

WHEREAS I, Andrew B. Mahon, a citizen of Australia, residing at 217 West 106 Street, Apt. #2A, New York, New York 10025, am a co-inventor of certain new and useful improvements in the invention and patent application as set forth in, **Use of MTAP Inhibitors for the Treatment of Lung Disease**, U.S. Provisional Application No. **62/237,097** filed on **October 5, 2015** in the United States Patent and Trademark Office.:

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have sold and do hereby sell, assign, transfer, and convey to PHD BIOSCIENCES, 14 East 4th Street, Suite 811, New York, New York, 10012 (hereinafter the "Assignee") its successors and assigns, the entire right, title, and interest in and to the invention and patent application(s) and in and to any and all subsequent patent applications which claim the benefit of priority from said application including regular utility, continuation, continuation-in-part, and divisions thereof, and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted, for the full end of the term for which said patents may be granted along with any term extensions, together with the right to claim the priority of said application in all foreign countries, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.

I covenant and agree that, at the time of the execution and delivery of this assignment, I possesses full title to the invention and patent application, and that I have the unencumbered right and authority to make this assignment and I hereby authorize the Assignee to file patent applications in any and all countries on any or all said inventions in my name or in the name of the Assignee or otherwise as the Assignee may deem necessary under U.S. and international patent laws.

I further covenant and agree to promptly communicate to said Assignee or its representatives any facts known to the me relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional
