## ASSIGNMENT

Title of Invention: **AROMATHERAPY MACHINE**

United States application number: 29570937, Filed on July 13, 2016.

Changchun Chengji Technology CO., LTD., having a place of business at RM 601, 6/F, Building D, No.155, Jinhe Street, Gaoxin District, Changchun, China, (hereinafter "Assignor"); represents that it owns the entire right, title and interest in 29570937 (hereinafter "Patents").

Whereas, Shenzhen Dajie Technology Co., Ltd. having a place of residence at B711 Huangjia Business Square, Minzhi Avenue, Minzhi Street, Longhua New District, Shenzhen, China, (herein referred to as "Assignee"), desires to acquire a right, title and interest in the said patents and invention, and to any United States and foreign patents to be obtained therefor:

Now, therefore, for good and valuable consideration, the receipt and legal sufficiency of which Assignor acknowledges, Assignor, has sold and does hereby sell, assign, transfer and set over unto Assignee, its successors and assigns, the right, title and interest in and to the invention and all improvements thereon, in and to the Patents, in and to any other applications pertaining to or based upon the invention and application, including divisional and continuing applications and continuations-in-part, and in and to any and all letters patent which may be granted and issued on the invention and applications, or any of them, in the United States of America, its territories and possessions, together with and including all priority rights based upon any and all applications in all foreign countries and in the United States of America.

Assignor also agrees that it will, at the request of Assignee, execute any and all applications for letters patent for the invention, execute any and all other papers and documents and do all other and further lawful acts that Assignee may deem necessary or desirable to obtain letters patent on the invention, to secure the grant of such letters patent and to protect and vest in Assignee the undivided interests in the right, title and interest in the invention, applications and letters patent.

Assignor also authorizes and empowers Assignee, its successors and assigns to apply for and obtain, in its or their own names, letters patent for the invention before competent International Authorities and in any and all countries foreign to the United States in which applications for letters patent can be so made or letters patent so obtained.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

Signed at Shenzhen, China ,
