ASSIGNMENT

THIS ASSIGNMENT is made by Bonnie Lynn SZEREDI, Matthew Joseph SALARI, Kirk MOSNA, Steve ORZEL, Graham HILLS, and Harmandeep DHALIWAL (hereinafter referred to as "Assignors"), reachable at the addresses listed below.

WHEREAS, Assignors have invented certain new and useful improvements in "KIOSK", set forth in **Annex A** and set forth in a design application for Letters Patent of the United States, filed on 7 June 2017, as U.S. Application No. 29/606,791;

WHEREAS, SITA Information Networking Computing Canada Inc., having its address at 770 Sherbrooke West, Suite 2300, Montreal, Quebec H3A 1G1 Canada (hereinafter referred to as "Assignee"), is desirous of acquiring the entire right, title and interest in and to said inventions set forth in **Annex A** and said application for Letters Patent of the United States, and in and to any Letters Patent of the United States to be obtained therefore and thereon;

WHEREAS, Assignee employs Bonnie Lynn SZEREDI, Matthew Joseph SALARI, and Harmandeep DHALIWAL to assist it with design work ("the design work") including the materials shown at **Annex A** and any modifications thereof;

WHEREAS, Assignee retained the services of Kirk MOSNA and Steve ORZEL and Graham HILLS employees of Orzel Hills Mosna Industrial Designers, Inc. of 270 Sherman Ave North, Unit 210 Hamilton, ON, L8L6N4, Canada to assist it with the design work including the materials shown at **Annex A** and any modifications thereof; and

WHEREAS, There may be further design work produced by the Assignors which will create future design work ("the future design work");

WHEREAS, It was always the intention of the parties hereto that all the right, title and interest, including all copyright, design rights, patent rights, and other similar rights, in the

design work, including the materials shown at **Annex A** and any future such works would belong to and would be assigned to Assignee.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions and designs, including the right to claim priority, and including those shown in **Annex A**, and application for Letters Patent, and in and to any and all direct and indirect divisions, non-provisional applications, continuations and continuations-in-part of said application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefor and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.

AND for the same consideration, Assignors hereby represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors are the sole and lawful owners of the entire right, title and interest in and to the said inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignors hereby covenant and agree to and with Assignee, its successors, legal representatives and assigns, that Assignors will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the

procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said Provisional application for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignors warrant and represent that the Assignors individually are not aware of any information that is material to patentability of the invention, namely, any information that, alone or in combination with other information, establishes on its face the unpatentability of the Invention or is inconsistent with arguments of patentability made to the U.S. Patent & Trademark Office. Material information may include devices, products, publications, and so forth, that are similar to the present invention, and/or any public disclosure, commercial use, or offer for sale more than one year prior to the filing date of the present application.

AND Assignors hereby request the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignors hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

REDDIE & GROSE LLP

AND Assignors acknowledge an obligation of assignment of this invention to Assignee at the time the invention was made.
