## **ASSIGNMENT**

In consideration of good and valuable consideration, the receipt of which is hereby acknowledged,  
I, the undersigned:

**Roderik Johan Mos  
Tijs Pieter Horn**

hereby sell, assign, and transfer to:

**Dataflex International B.V.**

a corporation of the Netherlands, having a principal place of business Van Nassauweg 2-6, 2921 LX  
Krimpen a/d IJssel, The Netherlands, ("Assignee"), and its successors, assigns, and legal representatives,  
the entire right, title, and interest for the United States and all foreign countries, in and to any and all  
improvements that are disclosed, described and claimed in PCT International Application No. NL2019791  
filed on October 24, 2017, and in the application for the United States patent application, 16/162,635, filed  
on October 17, 2018 entitled:

### **COMBINED CASE AND STAND FOR A PORTABLE COMPUTING DEVICE**

which has been executed by the undersigned prior hereto or concurrently herewith on the date(s)  
indicated below,

and in and to said application and all divisional applications, continuation applications, continued  
prosecution applications, continuation-in-part applications, substitute applications, renewal applications,  
reissue applications, reexaminations, extensions, and all other patent applications that have been or shall  
be filed in the United States and all foreign countries on any of said improvements; and in and to all  
original patents, reissued patents, reexamination certificates, and extensions, that have been or shall be  
issued in the United States and all foreign countries on said improvements; and in and to all rights of  
priority resulting from the filing of said United States application;

agree that said Assignee may apply for and receive a patent or patents for said improvements in  
its own name; and that, when requested, without charge to, but at the expense of, said Assignee, its  
successors, assigns, and legal representatives, to carry out in good faith the intent and purpose of this  
Assignment, the undersigned will execute all divisional applications, continuation applications, continued  
prosecution applications, continuation-in-part applications, substitute applications, renewal applications,  
reissue applications, reexaminations, extensions and all other patent applications on any and all said  
improvements; execute all rightful oaths, assignments, powers of attorney, and other papers;  
communicate to said Assignee, its successors, assigns, and representatives all facts known to the

undersigned relating to said improvements and the history thereof; and generally assist said Assignee, its successors, assigns, or representatives in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements, and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns, and legal representatives; and

covenant with said Assignee, its successors, assigns, and legal representatives that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
