---------------------------	----

THIS AGREEMENT is made on 27 April 2017

BETWEEN:

- (1) GT GETTAXI LIMITED, a company incorporated in Cyprus with number 271894 which has its registered office at 17 Gr. Xenopoulou str, 3106, Limassol, Cyprus ("Purchaser"); and
- (2) JUNO, INC., a company incorporated in the British Virgin Islands with number 1865499 which has its registered office at Vantepool Plaza, 2nd floor, Wickhams Cay I, Road Town, Tortola, British Virgin Islands ("Seller").

BACKGROUND:

- A Juno Lab B.V. is a company incorporated in the Netherlands with company number 63615967 ("Juno BV") and Juno USA, L.P. is a limited partnership formed in the State of Delaware with registered number 5765942 ("Juno LP") (together "Companies" and each a "Company"). Further information relating to the Companies is set out in part 2 of schedule 1.
- B Seller is the owner of the Juno BV Shares (as defined below), which constitute 100% of the membership interests in Juno BV and the Sale Assets (as defined below). Seller has agreed to sell and the Purchaser has agreed to purchase the Juno BV Shares and the Sale Assets on the terms of this agreement.
- C Seller is the owner of the Juno LP Shares (as defined below), which constitute 100% of the membership interests in Juno LP. Seller has agreed to sell and Purchaser has agreed to purchase the Juno LP Shares on the terms of this agreement.

IT IS AGREED:

1. DEFINITIONS AND INTERPRETATION

1.1 In this agreement:

"Assigned IP" means the IP owned by the Seller including, without limitation, that listed in part 5 of schedule 2;

"IP" or "Intellectual Property" means all tangible and intangible intellectual property, including (without limitation): (i) any and all ideas, inventions, designs, discoveries, improvements, secret processes, formulas, methods, arts, compositions or appliances, whether patentable or not (the "Know-how"); (ii) all technical data, trade secrets, documentation, plans, specifications, drawings, sketches, designs, details of equipment, manufacturing processes, whether relating directly or indirectly to the Know-how; (iii) patents, patent applications and statutory invention registrations, together with all reissues, continuations, continuations-in-part, revisions, divisionals, extensions, and reexaminations in connection therewith; (iv) trademarks and service marks, trade names, logos, designs, trade dress, slogans, business names, corporate names, and all other indicia of origin, all applications, registrations, and renewals in connection therewith, and all goodwill associated with any of the foregoing (collectively, the "Marks"); (v) copyrights, mask works and designs, domain names, websites, and all registrations, and renewals in connection therewith; (vi) software (including source code, executable code, systems, tools, data, databases, firmware, and related documentation), (vii) social media rights, (viii) all other proprietary rights; and (ix) copies and tangible embodiments or descriptions of any of the foregoing (in whatever form or medium).

"IP Assignments" means: (i) the assignment of intellectual property; (ii) the patent assignment; and (iii) the trade mark assignment each in the Agreed Form;

"Sale Assets" means the assets listed in part 4 of schedule 1;

2. SALE AND PURCHASE

2.1 Sale and purchase of Juno LP Shares and Juno BV Shares

2.1.1 Subject to the terms of this agreement, Seller shall sell and the Purchaser shall purchase:

2.1.1.3 the Sale Assets,

on and with effect from the Completion Date.

Part 4: Sale Assets

2. the Assigned IP (which shall be transferred to the Purchaser on the terms of clause 2.12 and the IP Assignments);

Part 5: Assigned IP
