collectively, the "Patents";

AND, WHEREAS, **KROFF CHEMICAL COMPANY**, a corporation of the Commonwealth of Pennsylvania, having a place of business at One North Shore Center, Suite 450, 12 Federal Street Pittsburgh, Pennsylvania 15212, hereinafter called the "Assignee", is desirous of acquiring the Patents and all reissues, renewals and/or extensions thereof;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor does hereby assign, sell and transfer unto said Assignee Assignor's entire right, title and interest to the Patents and all reissues, renewals and/or extensions thereof. Such assignment extends to the full ends of the terms of the Patents as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made.

Assignor hereby covenants that it is, along with Assignee, a lawful owner of said Patents, that no license has been granted to any third party to make, use or sell any Product relating to the Patents, and that Assignor has the right to make this Assignment, and that it will not execute any agreements inconsistent therewith. Also, if any third party security interest in the Patents is not discharged, then Assignor agrees to assist Assignee in obtaining such discharge at Assignee's expense, such expense to be agreed upon in advance in writing by Assignor and Assignee, said assistance not to be unreasonably withheld,

And for the consideration aforesaid, Assignor agrees that it will, upon request but without expense to Assignor, testify in any legal proceedings, sign all lawful papers, execute all divisional, reissue, continuation, continuation-in-part, renewal, reexamination, Inter Partes review and/or extension applications, make all rightful oaths, and generally do all other and further lawful acts deemed necessary or expedient by said Assignee or by counsel for said Assignee to assist or enable said Assignee to obtain and enforce full benefits from the rights and interests herein assigned. This Assignment shall be binding upon Assignor's successors and/or assigns, and shall inure to the benefit of the successors and/or assigns, as the case may be, of said Assignee.

Attorney Docket Nos.: 4027-045451
5049-092681
5049-092780
5049-092828
5049-114089

AND for the consideration aforesaid, Assignee agrees that it will pay all filing, prosecution, renewal and maintenance fees for such Patent Applications and Patents.

IN TESTIMONY WHEREOF, Assignor has caused this assignment to be executed effective the 5th day of November, 2018.
