ASSIGNMENT

WHEREAS, I, **Marc J. Corcoran** of St. Charles, MO, have invented a certain new, original and ornamental design for a

MOTOR CONDUIT PLUG

for which I am about to file for Design Patent of the United States; and

WHEREAS, **Nidec Motor Corporation**, a corporation duly organized under the laws of the State of Delaware, and having its principal place of business at 8050 West Florissant Ave., St. Louis, Missouri 63136, is desirous of acquiring an interest in, to and under said invention, said application and any and all Design Patents which may be granted for or upon said invention in the United States of America and all countries foreign thereto.

NOW, THEREFORE, to all whom it may concern be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, **Marc J. Corcoran**, as the sole inventor, have sold, assigned and transferred, and by these presents do sell, assign and transfer unto said **Nidec Motor Corporation** the full and exclusive right, title and interest, throughout the world, in, to and under the following:

- (a) said invention as fully set forth and described in said Application;
- (b) said Application;
- (c) any and all refilings, divisions and continuations of said Application;
- (d) any and all Design Patents of the United States of America which may issue from said applications, refilings, divisions and continuations;
- (e) any and all reissues of said Design Patents of the United States of America;

(f) any and all applications for Design Patent on said invention which have heretofore been filed or may hereafter be filed in any and all countries foreign to the United States of America, together with all rights to file and to claim priority in connection with said foreign-filed applications;

(g) any and all refilings, divisions and continuations of said foreign-filed applications;

(h) any and all Design Patents of countries foreign to the United States of America which may issue from said foreign-filed applications, refilings, divisions and continuations; and

(i) any and all extensions of and additions to said Design Patents of countries foreign to the United States of America.

ALL of the above shall be held and enjoyed by **Nidec Motor Corporation**, for its own use and behoof, and for its successors, legal representatives and assigns, to the full end of the term for which said Design Patents may be granted, and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Design Patents in accordance with this Assignment.

Assignor further agrees to execute all paperwork and provide any other requested, non-monetary assistance in procuring, perfecting, enforcing, and/or defending Assignee's rights as assigned herein.

Date: 10-31-18
