ASSIGNMENT OF PATENT APPLICATION

WHEREAS, Patricia Kelpie and Maria Munoz-Condís (hereinafter "Assignors"), have invented a certain invention entitled:

APPARATUS AND METHOD FOR EDUCATION AND LEARNING

for which an application for a Patent in the United States was filed at the United States Patent and Trademark Office on November 6, 2018 under application serial no. 16/182,281; and

WHEREAS, Star 3 Group, Ltd. having a place of business at 4 Gleneagles, Londonderry, Northern Ireland, GB BT487TF (hereinafter "Assignee"), is desirous of acquiring the entire right, title and interest in and to the aforementioned provisional applications (hereinafter "Applications"), and the invention disclosed therein (hereinafter "Invention"), and in and to all embodiments of the Invention, heretofore conceived, made or discovered by the Assignors, and in and to any and all patents, inventor's certificates and other forms of protection (hereinafter "Patents") thereon granted in any and all countries and groups of countries.

NOW, THEREFORE, in deliberation of good and valuable consideration acknowledged by the Assignors to have been received in full from said Assignee:

1. The Assignors hereby sell, assign, transfer and convey to Assignee the full and exclusive right, title and interest (a) in and to the Applications and the Invention; (b) in and to all rights to apply for patents covering the Invention in any and all countries pursuant to the International Convention for the Protection of Industrial Property or otherwise; (c) in and to any and all Applications filed and any and all Patents granted, covering the Invention, in any and all countries and groups of countries, including each and every Application filed and each and every Patent granted on any applications which is a division, substitution, continuation, or continuation in part of the Applications; and (d) in and to each and every reissue or extension of any of the Patents.

2. The Assignors hereby covenant and agree to cooperate with the Assignee to enable the Assignee to enjoy to the fullest extent the right, title and interest to the Invention herein conveyed in any and all countries and groups of countries. Such cooperation by the Assignors shall include prompt production of pertinent facts and documents, giving testimony, execution of petitions, oaths, specifications, declarations or other papers, and other assistance all to the extent deemed necessary or desirable by the Assignee (a) for perfecting in the Assignee the right, title and interest herein conveyed; (b) for prosecuting the Applications, or related applications; (c) for filing and prosecuting substitute, divisional, continuing or additional applications covering embodiments of the Invention; (d) for filing and prosecuting applications for reissuance of any of the Patents; (e) for interference or other priority proceedings involving the Invention; and (f) for legal proceedings involving the Invention and any applications therefor and any Patents granted thereon, including without limitation opposition proceedings, cancellation proceedings, priority

cancellation proceedings, priority contests, public use proceedings, infringement actions and court actions; provided, however, that the expense incurred by the Assignors in providing such cooperation shall be paid for by the Assignee.

3. The term and covenants of this agreement shall inure to the benefit of the Assignee, its successors, assigns and other legal representatives, and shall be binding upon the Assignors, their respective heirs, legal representatives and assigns.

4. The Assignors hereby warrant and represent they have not entered and will not enter into any assignment, contract, or understanding in conflict herewith.

5. The Assignors further hereby authorize Assignee, or its attorneys or agents, to insert the correct Application Number and Filing Date into this Assignment, if none is indicated on the date of my execution of this agreement.

IN WITNESS WHEREOF, the Assignors have executed and delivered this instrument to the Assignee on the date indicated below.
