ASSIGNMENT

WHEREAS, **Travis WINN** and **Tyler WINN**, citizens of the United States of America having post office addresses of 722 East 50 South, Provo, Utah 84606; and 722 East 50 South, Provo, Utah 84606, respectively, have invented a method and apparatus entitled **FLAT LYING FOLDABLE INTEGRATED LID AND CONTAINER**, hereinafter called the "invention," preferred embodiments of which are disclosed in a United States patent application being assigned application serial no. **16/031,959** and filed on **July 10, 2018**;

WHEREAS, Assignee **DUBLYU, LLC**, a Utah limited liability company, located at 722 East 50 South, Provo, Utah 84606, is desirous of acquiring the entire right, title and interest in the invention;

NOW THEREFORE, in consideration of one dollar (\$1.00) and other good and valuable consideration paid to us by the Assignee, the receipt and sufficiency of which is hereby acknowledged, WE HEREBY ASSIGN TO THE ASSIGNEE:

The entire right, title and interest in said invention and in the above-identified United States patent application and in all divisions, continuations and continuations-in-part of said application, any application claiming the benefit of said application, or reissues or extensions of Letters Patent or Patents granted hereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and Foreign countries.

The right to bring legal action for infringement of any patents issuing from the above-identified United States patent application, including past infringement and the right to receive damages for any past infringement.

WHEN RECORDED RETURN TO:

Travis R. Banta (DUB-0002.CON)
TechLaw Ventures, PLLC
3290 West Mayflower Way
Lehi, Utah 84043

The right to file foreign patent applications on said invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

We hereby authorize and request the United States Commissioner for Patents, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all patents on said invention to the Assignee as the owner of the entire interest, for the sole use and behoof of the said Assignee, its successors, assigns and legal representatives.

We hereby agree without further consideration and without expense to us, to sign all lawful papers and to perform all other lawful acts which the Assignee, or the Assignee's successors, assigns and legal representatives, may request of us to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue, and other United States and foreign patent applications on said invention, and all lawful documents requested by the Assignee, or the Assignee's successors, assigns and legal representatives, to further the prosecution of any of such patent applications.

Cooperation to the best of our ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension, or infringement proceedings involving said invention.
