## ASSIGNMENT

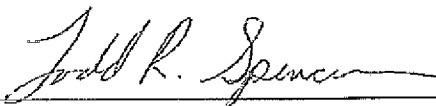

WHEREAS, Todd R. Spencer and M. Hunter Basenberg Jr. (individually and collectively "Assignor"), are the inventors and creators of the product, method, and design which is attached hereto as Exhibit A and incorporated herein by reference (the "Invention").

Whereas, CRUISER ACCESSORIES, LLC, a Colorado limited liability company ("Assignee"), whose mailing address is 19475 Beacon Lite Road, Monument, Colorado 80132, is desirous of acquiring the entire right, title and interest in the Invention;

NOW, THEREFORE, in consideration of the sum of ten dollars and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, by these presents, Assignor does sell, assign, and transfer unto Assignee the full and exclusive right to the Invention and the entire rights, title, and interest in and to any and all copyrights and patents which may be granted therefor in the United States or in any other nations. Assignor hereby authorizes Assignee to apply for any copyrights and patents claiming the Invention and any part thereof and authorizes any representative of Assignee to execute any documents related to such applications. We hereby authorize and request the Director of the U.S. Patent and Trademark Office to issue said United States Patents to Assignee, of the entire right, title, and interest in and to the same, for its sole use and benefit, and for the use and benefit of its legal representatives, to the full end of the term for which said Patents may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.

This Assignment includes our entire right, title, and interest in and to the Invention. Assignor represents that the Invention was created by Assignor and is not a copy of any other person's Invention nor an infringement of any intellectual property rights of any third party known to Assignor.
