ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned hereby assigns to Innosurance, Inc., a Texas corporation with an address of 70 Lightwood Trace, The Woodlands, Texas 77382 ("assignee"), its successors and assigns, any and all right, title and interest that the undersigned possesses in the inventions or improvements disclosed in the Letters Patent and Applications for Letters Patent listed below:

Letters Patent

- (1) Patent No. 6,931,309, filed on April 27, 2004 entitled Motor Vehicle Operating Data Collection and Analysis;

Applications for Letters Patent

- (1) Application No. 60/467,845, filed on May 6, 2003 entitled Motor Vehicle Operating Data Gathering Methodology and Analysis for Eventual Use with Underwriter Statistic Metrics;
- (2) Application No. 10/832,521, filed on April 27, 2004 entitled Motor Vehicle Operating Data Collection and Analysis;
- (3) Application No. PCT/US04/14024, filed on May 6, 2004 entitled Motor Vehicle Operating Data Collection and Analysis;
- (4) Application No. 11/060,462, filed February 17, 2005 entitled Motor Vehicle Operating Data Collection and Analysis; and
- (5) Application No. PCT/US05/019279, filed on June 1, 2005 entitled Motor Vehicle Operating Data Collection and Analysis;

and the Letters Patent and Applications for Letters Patent listed above and any patent application pending now or in the future and any patent already issued or issued in the future and any other government grant or the like that claims priority to the Letters Patent or Applications for Letters Patent listed above and any extensions thereof, and any and all other applications, both United States and foreign, which the undersigned may file, either solely or jointly with others, on said inventions or improvements, and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any reissue or extension of such patents, and further assigns to said assignee the priority right provided by the International Convention. The undersigned hereby authorizes and requests the Commissioner of Patents and Trademarks to issue said Letters Patent to said assignee.

The undersigned represents that he believes he is not an inventor of the inventions or improvements, has no rights in the inventions or improvements or the Letters Patent or Applications for Letters Patent and should not be listed as an inventor on the Letters Patent or Applications for Letters Patent listed above. However, to the extent that the undersigned is an inventor of the inventions or improvements and to the extent the undersigned maintains any rights to the inventions or improvements or the Letters Patent or Applications for Letters Patent, the undersigned assigns to assignee any and all such rights.
