Polymer Ventures Inc.
PATENT ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned hereby assigns to:

Polymer Ventures Inc
1612 Harbor View Road
Charleston, South Carolina 29412
USA

a South Carolina corporation (hereinafter "Assignee"), its successors and assignees, the entire right, title and interest in inventions or improvements thereof that the undersigned created, made, conceived, invented, developed, discovered or reduced to practice during the performance of the undersigned's duties on behalf of the Assignee. The assigned right, title and interest include, but are not limited to, inventions or improvements thereof disclosed in patent applications and/or any other writings, in the United States and in other countries, which the undersigned may file, be named as an inventor, or be named as an author, solely or jointly with others, and any and all patents issued in the United States and other countries, which may issue from said applications, including any reissue or extensions thereof.

The undersigned warrants themselves to be the owner of the interest herein assigned and to have the right to make this assignment and further warrants that there are no outstanding prior assignments, licenses, or other rights in the interest herein assigned except in favor of Assignee.

ACCEPTED AND AGREED:
