GLOBAL GENERAL ASSIGNMENT

WHEREAS Centre Tecnològic de la Química de Catalunya, Carrer de Marcel·lí Domingo, Tarragona, Catalunya 43007, Spain declares that it is the sole/joint owner of certain invention(s), as set forth in a patent application (including industrial designs and utility models), whether claimed or unclaimed, entitled Photosensitive Microcapsules, filed in the name(s) of Procter & Gamble International Operations SA of One Procter & Gamble Plaza, Cincinnati, Ohio 45202, as Applicant-Assignee and naming Bartosz Tylkowski, Anna Trojanowska, Luke Andrew Zannoni, Marta Giamberini, Calum Macbeath, Johan Smets, Todd Laurence Underiner and Susana FernandezPrieto as inventors, Attorney's Docket No. 14854F and filed in the European Patent Office as Number 17382567.0, on August 11, 2017 and/or the corresponding application filed in the PCT as Serial Number EP2018/071794, on August 10, 2018. (Centre Tecnològic de la Química de Catalunya grants the hereinafter named assignee and/or any person authorized thereby, the power to insert in this document, the Serial Number and filing date of each application identified above when ascertained.)

For valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Centre Tecnològic de la Química de Catalunya assigns to Procter & Gamble International Operations SA, its legal representatives, successors and assigns, its entire right, title, and interest owned by Centre Tecnològic de la Química de Catalunya in the United States and throughout the world, in, to and under said invention(s) and all patents, patent applications, patent rights, and inventor's certificates thereof, therefore, and therein, including without limitation said application, all divisions and continuations thereof, all patents which may be granted thereon, all reissues and extensions thereof, all patents which may be granted for said invention(s) by states or nations other than the United States, or by other authority, entity, or organization, and all applications therefore (including the right to claim priority of the filing date of said application in the United States and/or under international conventions), as fully and completely as the same would have been held by Centre Tecnològic de la Química de Catalunya had this assignment not been made. The entire right, title and interest owned by Centre Tecnològic de la Química de Catalunya shall vest irrevocably in Procter & Gamble International Operations SA. Centre Tecnològic de la Química de Catalunya further agrees to, without additional compensation, but at no expense to Procter & Gamble International Operations SA, execute or assent to any and all applications for said invention(s), assist Procter & Gamble International Operations SA in obtaining signatures for any applications or any other legal documents as may be necessary or desirable to vest and maintain the enjoyment of the rights assigned, and to cooperate with Procter & Gamble International Operations SA, its legal representatives, successors and assigns, or as Procter & Gamble International Operations SA may direct, in any pre-grant, post-grant or other proceedings relating to the rights assigned herein.

Centre Tecnològic de la Química de Catalunya requests and authorizes the Commissioner of Patents and Trademarks and/or appropriately empowered officials of foreign countries to issue any and all Patent(s) and/or letters patent(s) which may be granted for said invention(s) herein assigned and as set forth in U. S. Application Serial Number 16/100,239 to Procter & Gamble International Operations SA, its legal representatives, successors or assigns, as assignee of Procter & Gamble International Operations SA's entire right, title, and interest in said Patent(s).

This GLOBAL GENERAL ASSIGNMENT is effective as of the earlier of 1) the date of execution shown below, or 2) the filing date of the first-filed of said patent application(s).
