**RELEASE OF PATENT, TRADEMARK AND LICENSE SECURITY INTEREST**

WHEREAS, Veran Medical Technologies, Inc., a Delaware corporation (“Debtor”), as debtor, and Prolog Capital II, L.P., a Missouri limited partnership, as collateral agent for the benefit of the parties identified as a secured party on Exhibit A hereto (collectively, “Secured Parties” and each individually a “Secured Party”) (in such capacity, the “Collateral Agent”), are or were parties to a certain Convertible Note and Warrant Purchase Agreement, as may have been amended, restated, supplemented or otherwise modified from time to time, dated November 27, 2013 (the “Purchase Agreement”) together with a certain Patent, Trademark and License Security Agreement dated November 27, 2013 (“IP Security Agreement”) and the Loan Documents as defined therein;

WHEREAS, all capitalized terms used but not otherwise defined herein shall have the meanings assigned to them in the Purchase Agreement and the IP Security Agreement;

WHEREAS, pursuant to the Purchase Agreement and the IP Security Agreement, recorded in the United States Patent and Trademark Office at Reel 005176, Frame 0951 and Reel 031837, Frame 0001 on December 18, 2013, Debtor granted to Collateral Agent, for the benefit of the Secured Parties, a security interest in and lien on all of Debtor’s right, title and interest in, to and under the Collateral, (including Patents, Trademarks, Licenses, the goodwill of Debtor’s business connected with and symbolized by the Trademarks, and all proceeds of any of the foregoing, including those listed on Schedules A, B, C, D, and E thereto and hereto);

WHEREAS, Collateral Agent acknowledges and agrees that all of Debtor’s obligations with respect to the Purchase Agreement and the IP Security Agreement have now been fully and completely satisfied and that the security interest granted has been and hereby is terminated;

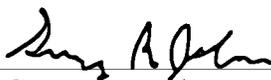

WHEREAS, Collateral Agent desires to fully, completely and formally release its security interest in and to the Collateral and in and to any and all other intellectual property of Debtor, and to record such release with the United States Patent and Trademark Office;

NOW, THEREFORE, in consideration of and in exchange for good and valuable consideration, Collateral Agent, for and on behalf of the Secured Parties, does hereby fully, completely and formally re-assign, release, relinquish and discharge any and all security interest in and lien on, and any other interest it may have in, the Collateral (including without limitation those listed on Schedules A, B, C, D, and E hereto) and in any and all other intellectual property of Debtor.

IN WITNESS WHEREOF, the parties have caused this Release of Patent, Trademark and License Security Interest to be duly executed as of November 6, 2018.
