ASSIGNMENT

We, **Hermann J. Stadtfeld**, a citizen of Germany, residing at 910 Maple Drive, Webster, County of Monroe, State of New York; **Anthony J. Norselli**, a citizen of the United States of America, residing at 305 Moul Road, Hilton, County of Monroe, State of New York, and, **Paul B. Spencer**, a citizen of the United States of America, residing at 7110 Ontario Center Road, Ontario, County of Wayne, State of New York, having invented a certain invention entitled:

MONO-BLADE BEVEL GEAR CUTTING TOOL

for which an application for United States Letters Patent was filed on July 13, 2018 as Application No. 16/069,899 do hereby sell, assign, and transfer over unto:

THE GLEASON WORKS, a corporation organized under the laws of the State of New York, and having its principal place of business at Rochester, New York, United States of America, for good and valuable consideration, receipt of which is hereby acknowledged, the entire and exclusive right, title and interest to said invention, in the United States of America and its territorial possessions and in any and all foreign countries, and to all Letters Patent, and similar legal protection, to be obtained in the United States of America and its territorial possessions and in any and all foreign countries, based upon in said application for patent or any continuation, division, renewal, substitute or reissue thereof, including legal equivalents thereof, the same to be held and enjoyed by **THE GLEASON WORKS**, its successors, assigns or other legal representatives, to the full end of the term for which any and all Letters Patent, and similar legal protection, of the United States and its territorial possessions and any and all foreign countries may be granted, as fully and as entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made.

Further, we agree that we will communicate to **THE GLEASON WORKS**, or its representatives, any facts known to us respecting said invention, and will testify in any legal proceedings, sign all lawful papers, execute all division, continuation, substitute, renewal and reissue applications thereon, execute all necessary assignment papers to cause any and all of said Letters Patent, and equivalent legal protections, to be issued to **THE GLEASON WORKS**, make all rightful declarations and oaths and generally do everything necessary or desirable to aid **THE GLEASON WORKS**, its successors and assigns, to obtain and enforce proper protection for said invention in the United States and its territorial possessions and in any and all foreign countries.

And we hereby authorize and request the Commissioner of Patents to issue any United States Letters Patent and any and all continuing applications, divisional applications, reissues or extensions thereof in the United States of America to **THE GLEASON WORKS** as sole Assignee.
